

This small notes is prepared by Sri Ramanujar Institute of Acupuncture, West Tambaram, Chennai -600045 By P.S.Sudarsan M.Sc (Acupuncture), Registered Member in the Maharashtra Council of Acupuncture, Mumbai, India.

I Submit my sincere Thanks and Gratitude to the Authors of the Books.

1. The Acupuncture Point Book.
2. Acupuncture Points Dynamics Vol 1 and Vol 2
By Dr. John McDonald.

I also Submit my Sincere Thanks to my Masters

1. Dr. N. Palani, M.D.(Acupuncture), Chennai , India.
2. Dr. K.R. Manoharan, M.D. (AM), Madurai, India.
3. Dr. P. Ranganathan, M.D. (Acupuncture) China.
3. Dr. P. Pon Rasa, M.D. (Acupuncture), Salem, India.
4. Dr. P. Thamil Arasan, M.D. (Acupuncture), Salem, India

Lung Meridian (LU-1 to LU-11) from the Acupuncture Point Book only:

LU-1 Zhongfu

Functions:

Disperses Lung Qi
Clears Lung Heat
Regulates and tonifies Lung Qi
Transforms Phlegm
Opens the chest

Indications:

Cough, asthma, chest fullness
Wheezing, dyspnea, bronchitis, pneumonia
Phlegm congestion in chest
Pain in the chest, shoulder, and back
Emotional grief affecting lungs
Early stage Lung tuberculosis
Rhinitis, sore throat

LU-2 Yunmen

Functions:

Disperses Lung Qi
Clears Lung Heat
Opens the chest
Relieves cough

Indications:

Acute or chronic cough
Wheezing, asthma
Chest congestion
Pain in shoulder and upper chest
Fever with dry throat

LU-3 Tianfu

Functions:

Clears Lung Heat
Stops bleeding
Calms the Po (corporeal soul)
Regulates Lung Qi

Indications:

Hemoptysis, epistaxis
Asthma, cough, wheezing
Sadness, depression, emotional grief
Pain in the upper arm
Insomnia due to grief

LU-4 Xiabai

Functions:

Regulates Lung Qi
Descends Lung Qi
Activates the channel

Indications:

Cough, asthma
Pain in chest and shoulder

Dyspnea on exertion
Bronchial congestion
Muscular pain in upper arm

LU-5 Chize

Functions:

Clears Lung Heat (especially excess)
Transforms Phlegm
Descends rebellious Qi
Opens water passages
Benefits bladder

Indications:

Cough with yellow sputum
Wheezing, asthma, sore throat
Hemoptysis, epistaxis
Urinary retention
Elbow pain, spasms in arm
Fever with Lung infection

LU-6 Kongzui

Functions:

Clears Lung Heat
Stops bleeding
Regulates Lung Qi
Alleviates pain

Indications:

Coughing blood (hemoptysis)
Acute cough, sore throat
Bronchitis, pneumonia
Pain in chest and arm
Laryngitis, voice loss

LU-7 Lieque

Functions:

Expels external Wind
Releases the exterior
Descends Lung Qi
Opens the nose and head
Benefits the throat
Opens Ren Mai
Regulates water passages
Calms the mind

Indications:

Colds, influenza, chills, fever
Stiff neck, facial paralysis, headaches
Rhinitis, sinusitis, nasal obstruction
Cough, asthma, sore throat
Grief, sadness, emotional disorders
Urinary problems
Gynecological issues via Ren Mai

LU-8 Jingqu

Functions:

Descends Lung Qi
Alleviates cough and wheezing
Clears Lung Heat

Indications:

Cough, asthma
Sore throat
Fever, chills
Pain in wrist
Pulmonary inflammation

LU-9 Taiyuan

Functions:

Tonifies Lung Qi and Yin
Transforms Phlegm
Regulates vessels
Descends Lung Qi

Indications:

Chronic cough, dyspnea
Fatigue, spontaneous sweating

Weak pulse, palpitations
Asthma, bronchitis
Poor circulation, cold hands
Sore throat

LU-10 Yuji

Functions:

Clears Lung Heat
Benefits throat
Descends Lung Qi

Indications:

Sore throat, tonsillitis
Cough with yellow phlegm
Loss of voice
Hemoptysis
Burning sensation in chest
Febrile diseases

LU-11 Shaoshang

Functions:

Clears Heat
Opens orifices
Benefits throat
Revives consciousness

Indications:

Sore swollen throat, tonsillitis
Fever, convulsions, epilepsy
Fainting, sunstroke
Hemiplegia
Mania, febrile collapse
Severe sore throat with heat.

LARGE INTESTINE MERIDIAN – LI-1 to LI-20

LI-1 Shangyang

Functions:

Clears Heat
Reduces swelling
Revives consciousness
Benefits the throat

Indications:

Sore throat, tonsillitis
Toothache in lower jaw
Febrile diseases
Numbness of fingers
Loss of consciousness
Nosebleed
High fever with delirium

LI-2 Erjian

Functions:

Clears Heat
Expels Wind
Benefits the throat
Reduces swelling
Alleviates pain

Indications:

Sore throat, tonsillitis
Dry mouth, thirst
Fever
Toothache
Local swelling of fingers
Febrile disease with constipation

LI-3 Sanjian

Functions:

Clears Heat
Expels Wind
Benefits throat and teeth
Dispels fullness and pain

Indications:

Toothache, especially lower jaw

Throat pain, tonsillitis
Eye pain, redness
Swelling of fingers and hand
Febrile illness
Diarrhea

LI-4 Hegu

Functions:

Expels Wind and releases exterior
Regulates Wei Qi
Stops pain
Regulates face, eyes, nose, mouth, and ears
Induces labor
Clears Heat

Indications:

Headache, neck pain
Facial paralysis, Bell's palsy
Toothache, sinusitis
Nasal congestion, rhinitis
Constipation
Menstrual pain, delayed labor
Fever, common cold
Local hand pain

LI-5 Yangxi

Functions:

Clears Yangming Fire
Benefits wrist, throat, eyes
Calms the spirit

Indications:

Sore throat
Toothache
Red painful eyes
Headache
Wrist pain, thumb weakness
Febrile disease with agitation

LI-6 Pianli

Functions:

Expels Wind
Opens and regulates water passages
Clears Heat
Benefits eyes and ears

Indications:

Swelling of face, edema
Tinnitus, deafness
Eye redness
Nasal obstruction
Pain in hand and arm

LI-7 Wenliu

Functions:

Clears Heat and detoxifies poison
Regulates and harmonizes Intestines and Stomach
Calms Shen
Benefits the face

Indications:

Headache, facial swelling
Pain in mouth or cheek
Abdominal pain
Diarrhea
Borborygmus
Mania, epilepsy
Carbuncles, furuncles

LI-8 Xialian

Functions:

Harmonizes Small Intestine
Clears Heat
Regulates Qi and Blood
Removes obstructions

Indications:

Abdominal pain, periumbilical discomfort

Diarrhea

Pain in the arm and elbow

Distention in the intestine

Hemiplegia

LI-9 Shanglian

Functions:

Regulates Large Intestine

Harmonizes Qi

Alleviates pain

Indications:

Borborygmus, abdominal pain

Diarrhea

Numbness of hand and arm

Elbow pain

Spasm in upper limbs

LI-10 Shousanli

Functions:

Regulates Qi and Blood

Harmonizes Intestine and Stomach

Activates channel

Strengthens arm

Indications:

Abdominal pain, diarrhea

Toothache

Weakness of upper limb

Paralysis of arm

Tennis elbow

Post-stroke motor impairment

Shoulder pain

LI-11 Quchi

Functions:

Clears Heat

Cools Blood

Eliminates Wind

Regulates Qi and Blood

Relieves itching

Benefits skin

Indications:

Fever, sore throat

Urticaria, eczema, skin rashes

Hypertension

Elbow pain, upper limb paralysis

Red eyes

Diarrhea, abdominal fullness

Scrofula

LI-12 Zhouliao

Functions:

Activates channel

Relieves pain

Clears Heat

Indications:

Pain, numbness of elbow and upper arm

Local paralysis

Tennis elbow

Limited arm movement

LI-13 Shouwuli

Functions:

Regulates Qi

Clears Heat

Resolves Phlegm

Activates channel

Indications:

Scrofula, lymph node swelling

Arm and shoulder pain

Paralysis

Goiter

Elbow spasm

LI-14 Binao

Functions:

Activates channel

Benefits eyes

Dissolves masses

Clears vision

Indications:

Eye diseases, redness

Pain in arm and shoulder

Neck swellings

Scrofula

Stiffness and motor impairment

LI-15 Jianyu

Functions:

Benefits shoulder joint

Dispels Wind-Damp

Alleviates pain

Removes channel obstruction

Indications:

Frozen shoulder

Paralysis, hemiplegia

Pain in shoulder and upper arm

Urticaria, skin itching

Motor impairment post-stroke

LI-16 Jugu

Functions:

Benefits shoulder

Moves Qi

Dissolves nodules

Indications:

Stiff neck and shoulder

Shoulder joint dislocation

Goiter

Chest fullness

Scrofula

LI-17 Tianding

Functions:

Benefits throat and voice

Clears Heat

Resolves Phlegm

Indications:

Hoarseness, sore throat

Sudden loss of voice

Swelling and pain of neck

Scrofula

Cough with Phlegm

LI-18 Futu

Functions:

Benefits throat and voice

Regulates Qi

Alleviates cough

Indications:

Goiter

Loss of voice, sore throat

Cough, asthma

Neck stiffness

LI-19 Kouheliao

Functions:

Opens nasal passages

Expels Wind

Indications:

Nasal congestion

Loss of smell

Epistaxis

Deviated mouth

Facial paralysis
LI-20 Yingxiang

Functions:

Opens nose
Expels Wind and Heat
Benefits sense organs

Indications:

Rhinitis, sinusitis
Nasal congestion and discharge
Sneezing
Facial puffiness
Itchy face
Acute Bell's palsy

Large Intestine Meridian LI-1 to LI-20 complete from the *Acupuncture Point Book*.

Stomach Meridian (ST-1 to ST-45) — The **Functions** and **Indications** as given in the **Acupuncture Point Book**.

STOMACH MERIDIAN – ST-1 to ST-45

ST-1 Chengqi

Functions:

Benefits the eyes
Expels Wind
Clears Heat

Indications:

Red, painful, itchy eyes
Night blindness, photophobia
Lacrimation, eye twitching
Facial paralysis (Bell's palsy)
Blurred vision

ST-2 Sibai

Functions:

Benefits the eyes
Eliminates Wind
Clears Heat

Indications:

Eye pain, twitching, myopia
Facial paralysis
Tearing from Wind exposure
Red, swollen eyes
Facial spasm

ST-3 Juliao

Functions:

Eliminates Wind
Alleviates swelling
Benefits sinuses and eyes

Indications:

Facial paralysis
Twitching eyelids
Swelling of lips or cheek
Sinusitis, nasal congestion
Facial puffiness

ST-4 Dicang

Functions:

Eliminates Wind
Activates channel
Benefits mouth and lips

Indications:

Deviation of mouth
Facial paralysis
Drooling, twitching lips
Toothache
Bell's palsy, jaw stiffness

ST-5 Daying

Functions:

Eliminates Wind

Reduces swelling

Relieves pain

Indications:

Facial paralysis

Cheek swelling, toothache

Trismus (lockjaw)

Local jaw pain

Tingling or numb face

ST-6 Jiache

Functions:

Eliminates Wind

Benefits jaw and teeth

Activates channel

Indications:

Toothache

Trismus, jaw stiffness

Facial paralysis

Cheek pain, swelling

Mumps

ST-7 Xiaguan

Functions:

Benefits ears, jaw, and teeth

Clears obstructions

Reduces pain

Indications:

Toothache, TMJ disorders

Earache, tinnitus, deafness

Jaw dislocation

Facial paralysis

Lockjaw

ST-8 Touwei

Functions:

Clears Heat

Expels Wind

Alleviates pain

Benefits the eyes

Indications:

Frontal headache

Migraine

Eye pain, lacrimation

Dizziness, vertigo

Local scalp pain

ST-9 Renying

Functions:

Regulates Qi and Blood

Lowers rebellion

Benefits throat

Clears Heat

Indications:

Hypertension

Sore throat, goiter

Dizziness

Asthma, wheezing

Facial redness

ST-10 Shuitu

Functions:

Benefits throat and neck

Descends rebellious Qi

Indications:

Sore throat

Cough, asthma

Goiter, neck swelling

Chest tightness

Difficulty swallowing

ST-11 Qishe

Functions:

Benefits throat and neck

Regulates Qi and descends rebellion

Indications:

Pain in throat, goiter

Asthma, hiccup

Dyspnea

Neck rigidity

ST-12 Quepen

Functions:

Descends rebellious Qi

Clears Heat from chest

Benefits throat

Indications:

Cough, asthma

Sore throat, thyroid swelling

Chest pain

Shoulder pain

Stiff neck

ST-13 Qihu

Functions:

Descends rebellious Qi

Unbinds chest

Indications:

Cough, chest tightness

Asthma, wheezing

Dyspnea

Fullness of chest

ST-14 Kufang

Functions:

Descends rebellious Qi

Benefits chest

Indications:

Cough, dyspnea

Fullness and pain in chest

Intercostal neuralgia

ST-15 Wuyi

Functions:

Regulates Qi

Benefits chest

Relieves itching

Indications:

Cough, wheezing

Mastitis, chest swelling

Chest pain

Itching in skin, eczema

ST-16 Yingchuang

Functions:

Alleviates chest pain

Clears Heat

Indications:

Chest fullness, pain

Wheezing, asthma

Breast disorders

Rib pain

ST-17 Ruzhong

Functions:

No needling point

Reference landmark only

Indications:

Not used clinically for needling

ST-18 Rugen

Functions:

Benefits breasts

Clears chest and relieves cough

Indications:

Mastitis, insufficient lactation

Chest fullness

Cough, wheezing

Pain in chest

ST-19 Burong

Functions:

Regulates Stomach

Descends rebellion

Indications:

Epigastric pain

Poor appetite, vomiting

Hiccups

Abdominal distension

ST-20 Chengman

Functions:

Harmonizes Middle Jiao

Descends rebellious Qi

Indications:

Epigastric fullness

Vomiting, poor digestion

Abdominal pain

Acid reflux

ST-21 Liangmen

Functions:

Harmonizes Stomach

Regulates Qi

Stops pain

Indications:

Gastritis, indigestion

Epigastric pain

Vomiting, nausea

Abdominal distention

ST-22 Guanmen

Functions:

Regulates intestines

Benefits urination

Indications:

Abdominal distension

Diarrhea

Urinary retention

Constipation

ST-23 Taiyi

Functions:

Transforms Phlegm

Calms the mind

Harmonizes Middle

Indications:

Mania, agitation

Poor digestion

Epigastric pain

Mental confusion

ST-24 Huaroumen

Functions:

Calms spirit

Transforms Phlegm

Harmonizes Stomach

Indications:

Epilepsy, mania

Belching, vomiting

Agitation, palpitations

STOMACH Meridian (ST1 to ST45) – only Functions and Indications, in simple text, fully based on:

 *Acupuncture Point Book*
 *Acupuncture Point Dynamics Vol 1 & 2* by Dr. John McDonald

STOMACH MERIDIAN – FUNCTIONS & INDICATIONS

ST1 (Cheng Qi)

Functions: Benefits the eyes, expels Wind, clears Heat

Indications: Red, painful, swollen eyes; lacrimation; night blindness; twitching of eyelids; facial paralysis; optic nerve atrophy

ST2 (Si Bai)

Functions: Clears vision, eliminates Wind, benefits face

Indications: Blurred vision, facial paralysis, twitching of eyelids, excessive tearing, eye pain

ST3 (Ju Liao)

Functions: Eliminates Wind, opens nasal passages, relieves swelling

Indications: Facial paralysis, twitching of facial muscles, nosebleed, nasal congestion

ST4 (Di Cang)

Functions: Eliminates Wind from face, activates channel, benefits mouth

Indications: Deviation of mouth, facial paralysis, twitching lips, trigeminal neuralgia, excessive salivation

ST5 (Da Ying)

Functions: Removes Wind, reduces swelling, relieves pain

Indications: Facial pain, jaw swelling, trismus, toothache

ST6 (Jia Che)

Functions: Expels Wind, benefits jaw and teeth

Indications: Trismus, toothache, facial spasm, lockjaw, deviation of mouth

ST7 (Xia Guan)

Functions: Benefits ears, jaw, and teeth; removes obstruction

Indications: Tinnitus, deafness, jaw pain, lockjaw, facial pain

ST8 (Tou Wei)

Functions: Eliminates Wind, clears Heat, stops headache

Indications: Frontal and temporal headache, dizziness, eye pain, lacrimation

ST9 (Ren Ying)

Functions: Regulates Qi and Blood, lowers rebellious Qi, benefits throat

Indications: Hypertension, sore throat, goitre, dizziness, asthma

ST10 (Shui Tu)

Functions: Benefits throat and neck, descends Lung Qi

Indications: Sore throat, asthma, cough, scrofula, neck swelling

ST11 (Qi She)

Functions: Benefits throat and neck, descends Qi

Indications: Painful swallowing, goitre, asthma, hiccup, neck stiffness

ST12 (Que Pen)

Functions: Regulates Qi, opens chest, descends rebellion

Indications: Asthma, cough, sore throat, pain in shoulder and chest

ST13 (Qi Hu)

Functions: Opens chest, benefits breasts, descends rebellious Qi

Indications: Cough, asthma, chest fullness, breast pain

ST14 (Ku Fang)

Functions: Unbinds chest, relieves pain, regulates Qi

Indications: Chest pain, cough, fullness of chest, breast tenderness

ST15 (Wu Yi)

Functions: Benefits chest and lungs, alleviates pain

Indications: Chest tightness, cough, breast abscess, asthma

ST16 (Ying Chuang)

Functions: Benefits breasts, clears chest, relieves pain

Indications: Breast swelling, mastitis, chest fullness, asthma

ST17 (Ru Zhong)

⚠ **Do not needle** – anatomical landmark only

Function: Reference point for breast

ST18 (Ru Gen)

Functions: Benefits breasts, reduces swelling, opens chest

Indications: Insufficient lactation, mastitis, breast lumps, chest pain

ST19 (Bu Rong)

Functions: Harmonizes Middle Jiao, descends rebellious Qi

Indications: Epigastric pain, vomiting, poor appetite, belching

ST20 (Cheng Man)

Functions: Harmonizes Stomach, regulates Qi

Indications: Gastritis, fullness in epigastrium, vomiting, abdominal distension

ST21 (Liang Men)

Functions: Regulates Stomach, alleviates pain, stops diarrhea

Indications: Epigastric pain, acid reflux, gastritis, vomiting

ST22 (Guan Men)

Functions: Regulates intestines, clears Dampness

Indications: Abdominal pain, borborygmus, diarrhea, poor digestion

ST23 (Tai Yi)

Functions: Harmonizes Middle Jiao, calms Shen

Indications: Mania, poor memory, epigastric pain, indigestion

ST24 (Hua Rou Men)

Functions: Transforms phlegm, calms Shen, harmonizes Stomach

Indications: Epilepsy, anxiety, vomiting, indigestion

ST25 (Tian Shu)

◆ **Front-Mu of Large Intestine**

Functions: Regulates intestines, stops diarrhea, resolves Damp-Heat

Indications: Constipation, diarrhea, IBS, dysentery, abdominal pain, edema

ST26 (Wai Ling)

Functions: Alleviates abdominal pain, regulates Qi

Indications: Lower abdominal pain, hernia, dysmenorrhea

ST27 (Da Ju)

Functions: Benefits Kidney and Essence, strengthens reproductive system

Indications: Low libido, infertility, hernia, lower abdominal pain

ST28 (Shui Dao)

Functions: Regulates water passages, benefits Bladder

Indications: Urinary retention, edema, dysuria, irregular menses

ST29 (Gui Lai)

Functions: Warms Lower Jiao, regulates menses, removes stasis

Indications: Amenorrhea, dysmenorrhea, uterine masses, infertility

ST30 (Qi Chong)

◆ **Sea of Water and Grain Point**

Functions: Regulates Qi in abdomen, nourishes Essence

Indications: Infertility, hernia, abdominal pain, swelling of genitals

ST31 (Bi Guan)

Functions: Benefits hip and leg, moves channel

Indications: Leg pain, paralysis, hip arthritis, sciatica

ST32 (Fu Tu)

Functions: Expels Wind-Damp, benefits lower limbs

Indications: Cold legs, leg cramps, weakness, numbness, thigh pain

ST33 (Yin Shi)

Functions: Relieves leg pain, opens channels

Indications: Numbness, knee pain, motor impairment, leg atrophy

ST34 (Liang Qiu)

◆ **Xi-Cleft Point**

Functions: Acute pain relief, regulates Stomach

Indications: Acute epigastric pain, gastritis, breast abscess, knee swelling

ST35 (Du Bi)

Functions: Dispels Wind-Damp, reduces swelling

Indications: Knee pain, arthritis, swelling, difficulty walking

ST36 (Zu San Li)

◆ **He-Sea Point, Command Point for Abdomen**

Functions: Tonifies Qi and Blood, harmonizes Stomach, boosts immunity

Indications: Fatigue, poor appetite, gastric pain, diarrhea, asthma, weak immunity

ST37 (Shang Ju Xu)

◆ **Lower He-Sea of LI**

Functions: Regulates intestines, clears Damp-Heat

Indications: Diarrhea, dysentery, abdominal distension, constipation, enteritis

ST38 (Tiao Kou)

Functions: Benefits shoulder via distal effect, removes obstruction

Indications: Frozen shoulder, shoulder pain, leg cramps

ST39 (Xia Ju Xu)

◆ **Lower He-Sea of SI**

Functions: Regulates Small Intestine, clears Damp-Heat

Indications: Abdominal pain, diarrhea, lower leg pain, appendicitis

ST40 (Feng Long)

◆ **Luo-Connecting Point**

Functions: Transforms Phlegm, calms Shen, clears Damp

Indications: Phlegm in lungs or mind (mental illness), dizziness, asthma, obesity

ST41 (Jie Xi)

◆ **Jing-River Point**

Functions: Clears Heat, regulates Stomach, benefits ankle

Indications: Ankle pain, frontal headache, epilepsy, abdominal distension

ST42 (Chong Yang)

◆ **Yuan-Source Point**

Functions: Tonifies Stomach, harmonizes Fu organs, benefits face

Indications: Facial pain/paralysis, toothache, abdominal pain

ST43 (Xian Gu)

◆ **Shu-Stream Point**

Functions: Regulates Spleen & Stomach, clears Damp-Heat

Indications: Edema, facial swelling, abdominal pain

ST44 (Nei Ting)

◆ **Ying-Spring Point**

Functions: Clears Heat, calms Shen, regulates intestines

Indications: Toothache, sore throat, acid reflux, gastritis, bleeding gums

ST45 (Li Dui)

◆ **Jing-Well Point**

Functions: Clears Stomach Heat, restores consciousness, calms Shen

Indications: Insomnia, mania, toothache, facial swelling, febrile disease

Spleen meridian (SP1 to SP21) Acupuncture Point Book and Acupuncture Point Dynamics Vol 1 & 2 by Dr. John McDonald:

SP1 – Yinbai (Hidden White)

Functions: Stops bleeding, tonifies the Spleen, calms the Heart and mind, restores consciousness.

Indications: Uterine bleeding, bloody stools, menorrhagia, epistaxis, mental restlessness, insomnia, nightmares, loss of consciousness.

SP2 – Dadu (Great Metropolis)

Functions: Tonifies Spleen, resolves Damp-Heat, harmonizes Middle Jiao, clears Heat.

Indications: Abdominal distention, gastric pain, constipation, diarrhea, febrile diseases with scanty sweating.

SP3 – Taibai (Supreme White)

Functions: Tonifies Spleen Qi, transforms Dampness, harmonizes the Spleen and Stomach, regulates Qi.

Indications: Abdominal pain, indigestion, diarrhea, fatigue, heaviness of limbs, obesity, loose stools, prolapse of organs.

SP4 – Gongsun (Grandfather Grandson)

Functions: Tonifies Spleen, transforms Damp, regulates Chong Mai, calms Shen, benefits Heart and Stomach.

Indications: Gastric pain, vomiting, diarrhea, irregular menstruation, dysmenorrhea, infertility, abdominal masses, emotional disorders, palpitations.

SP5 – Shangqiu (Shang Mound)

Functions: Strengthens Spleen, resolves Dampness, calms the Shen, benefits sinews and bones.

Indications: Abdominal distension, constipation, diarrhea, stiffness and pain of tongue, mental disorders, ankle pain.

SP6 – Sanyinjiao (Three Yin Intersection)

Functions: Tonifies Spleen and Stomach, resolves Damp, strengthens Liver and Kidney, regulates menstruation, induces labor, harmonizes Lower Jiao, calms Shen.

Indications: Irregular menstruation, dysmenorrhea, uterine bleeding, infertility, labor induction, sexual dysfunction, digestive issues, edema, insomnia, dizziness, urinary disorders.

SP7 – Lougu (Leaking Valley)

Functions: Strengthens Spleen, resolves Damp, promotes urination.

Indications: Abdominal fullness, leg edema, paralysis or pain in lower limbs, difficult urination.

SP8 – Dijì (Earth Pivot)

Functions: Regulates menstruation, invigorates Blood, stops pain, harmonizes Spleen.

Indications: Dysmenorrhea, abdominal pain, irregular menstruation, uterine masses, acute menstrual cramps, abdominal distention, diarrhea.

SP9 – Yinlingquan (Yin Mound Spring)

Functions: Resolves Dampness, benefits Urination, regulates Spleen, opens Water pathways.

Indications: Edema, dysuria, diarrhea, abdominal pain, knee pain, genital swelling, leukorrhea, jaundice.

SP10 – Xuehai (Sea of Blood)

Functions: Invigorates Blood, dispels stasis, cools Blood, benefits skin.

Indications: Irregular menstruation, dysmenorrhea, uterine bleeding, eczema, urticaria, painful skin conditions, acne, blood stasis syndromes.

SP11 – Jimen (Winnowing Gate)

Functions: Regulates urination, clears Damp-Heat.

Indications: Painful urination, retention of urine, dysuria, genital itching, swelling of inguinal region.

SP12 – Chongmen (Rushing Gate)

Functions: Invigorates Blood, regulates Qi, clears Heat, benefits urination.

Indications: Lower abdominal pain, hernia, painful urination, reproductive issues, dysmenorrhea, swelling of genitals.

SP13 – Fushe (Abdomen Bind)

Functions: Regulates Qi, relieves pain.

Indications: Lower abdominal pain, hernia, constipation, weakness or flaccidity of abdominal wall.

SP14 – Fujie (Abdomen Knot)

Functions: Warms the abdomen, regulates Qi, benefits Spleen.

Indications: Abdominal pain, distention, hernia, diarrhea, poor digestion.

SP15 – Daheng (Great Horizontal)

Functions: Moves Qi, strengthens Spleen, regulates intestines.

Indications: Abdominal pain, constipation, diarrhea, flatulence, irritable bowel syndrome.

SP16 – Fu'ai (Abdomen Sorrow)

Functions: Regulates intestines, harmonizes Spleen, moves Qi.

Indications: Constipation, abdominal distention or pain, poor digestion.

SP17 – Shidou (Food Cavity)

Functions: Dissipates stagnation, opens chest, relieves fullness.

Indications: Chest fullness, pain in lateral costal region, vomiting, indigestion, fullness after eating.

SP18 – Tianxi (Heavenly Stream)

Functions: Regulates and descends Qi, benefits breasts, clears chest.

Indications: Mastitis, insufficient lactation, chest oppression, coughing, pain in lateral chest.

SP19 – Xiongxiang (Chest Village)

Functions: Opens chest, regulates Qi, benefits breasts.

Indications: Chest pain, cough, intercostal neuralgia, breast disorders.

SP20 – Zhourong (Encircling Glory)

Functions: Regulates Lung Qi, opens chest.

Indications: Cough, wheezing, chest oppression, asthma.

SP21 – Dabao (Great Wrapping)

Functions: Regulates Qi and Blood, strengthens sinews and joints, benefits whole body, unblocks Luo-connecting channels.

Indications: General body pain, weakness of limbs, fibromyalgia, whole-body soreness, chest oppression, side pain, fatigue.

Functions and Indications of all Heart (HT) and Small Intestine (SI) meridian acupuncture points, in simple text format, compiled and refined from the *Acupuncture Point Book* and *Acupuncture Point Dynamics Vol 1 & 2* by Dr. John McDonald.

HEART CHANNEL – HT1 to HT9

HT1 – Jiquan (Summit Spring)

Functions: Opens the chest, activates the channel, benefits the arm.

Indications: Chest pain, heart pain, palpitations, anxiety, frozen shoulder, motor impairment of upper limb.

HT2 – Qingling (Green Spirit)

Functions: Activates the channel, relieves pain.

Indications: Arm pain, shoulder pain, pain along the Heart channel, inability to raise the arm.

HT3 – Shaohai (Lesser Sea)

Functions: Clears Heat, calms Shen, transforms Phlegm, activates the channel.

Indications: Anxiety, insomnia, depression, chest pain, hand tremors, arm numbness, epilepsy.

HT4 – Lingdao (Spirit Path)

Functions: Calms the Shen, benefits the voice, relaxes sinews.

Indications: Sudden loss of voice, emotional disturbance, restlessness, spasm of the arm.

HT5 – Tongli (Penetrating the Interior)

Functions: Calms Shen, tonifies Heart Qi, benefits tongue, regulates Heart rhythm.

Indications: Palpitations, arrhythmia, speech disorders, aphasia, stuttering, fright, forgetfulness.

HT6 – Yinxi (Yin Cleft)

Functions: Nourishes Heart Yin, clears deficiency-Heat, calms the Shen, stops night sweating.

Indications: Night sweats, insomnia, dry throat, irritability, chest tightness, bleeding disorders.

HT7 – Shenmen (Spirit Gate) ★★★★★

Functions: Tonifies Heart Qi and Blood, calms the Shen, regulates Heart rhythm.

Indications: Insomnia, anxiety, poor memory, palpitations, mania, sadness, mental disorders, dream-disturbed sleep.

HT8 – Shaofu (Lesser Palace)

Functions: Clears Heart Fire, calms Shen, regulates urination.

Indications: Insomnia, restlessness, tongue ulcers, palpitations, dysuria, enuresis, genital itching.

HT9 – Shaochong (Lesser Surge)

Functions: Clears Heat, restores consciousness, benefits tongue and eyes.

Indications: Loss of consciousness, fever, palpitations, swollen tongue, mania, febrile disease, chest pain.

SMALL INTESTINE CHANNEL – SI1 to SI19

SI1 – Shaoze (Lesser Marsh)

Functions: Opens orifices, promotes lactation, clears Heat.

Indications: Insufficient lactation, breast swelling, mastitis, febrile disease, coma, headache, sore throat.

SI2 – Qianggu (Front Valley)

Functions: Clears Heat, benefits the eyes, throat, and ears.

Indications: Eye redness, tinnitus, sore throat, febrile disease, finger stiffness.

SI3 – Houxi (Back Stream) ★★★★★

Functions: Benefits the Du Mai, clears Heat, relaxes sinews, alleviates pain.

Indications: Neck pain, occipital headache, shoulder stiffness, epilepsy, night sweating, mental disorders, low

back pain.

SI4 – Wangu (Wrist Bone)

Functions: Activates the channel, clears Damp-Heat.

Indications: Wrist pain, jaundice, febrile disease, neck swelling, headache.

SI5 – Yanggu (Yang Valley)

Functions: Clears Heat, reduces swelling, activates the channel.

Indications: Wrist pain, eye pain, swelling of neck and jaw, febrile disease.

SI6 – Yanglao (Support the Aged)

Functions: Benefits eyes, relaxes tendons, relieves pain.

Indications: Blurred vision, shoulder pain, arm and hand pain, acute lumbar sprain.

SI7 – Zhizheng (Branch of the Upright)

Functions: Calms Shen, clears Heat, releases the exterior.

Indications: Stiff neck, headache, anxiety, febrile disease, warts, finger stiffness.

SI8 – Xiaohai (Small Sea)

Functions: Clears Heat, calms Shen, activates channel.

Indications: Swelling of cheek, epilepsy, elbow pain, headache, toothache, scrofula.

SI9 – Jianzhen (True Shoulder)

Functions: Expels Wind, benefits shoulder, activates the channel.

Indications: Shoulder pain, motor impairment of the arm, scapular pain.

SI10 – Naoshu (Upper Arm Shu)

Functions: Benefits the shoulder, activates the channel.

Indications: Shoulder bursitis, paralysis of upper limb, shoulder stiffness.

SI11 – Tianzong (Heavenly Gathering) ★★

Functions: Opens the chest, promotes lactation, activates the channel.

Indications: Breast pain, insufficient lactation, scapular pain, asthma, upper back pain.

SI12 – Bingfeng (Grasping the Wind)

Functions: Expels Wind, activates the channel, alleviates pain.

Indications: Scapular pain, stiff neck, shoulder pain, Wind attack.

SI13 – Quyuan (Crooked Wall)

Functions: Relieves pain, activates the channel.

Indications: Shoulder and scapular pain, numbness of upper limbs.

SI14 – Jianwaishu (Outer Shoulder Shu)

Functions: Activates the channel, expels Wind and Cold.

Indications: Stiffness and pain of neck and shoulder, upper back pain.

SI15 – Jianzhongshu (Central Shoulder Shu)

Functions: Clears Wind, benefits shoulder and neck.

Indications: Neck rigidity, shoulder pain, cough, asthma.

SI16 – Tianchuang (Heavenly Window)

Functions: Clears Heat, benefits throat and voice, regulates Qi.

Indications: Sore throat, voice loss, sudden deafness, goiter, scrofula.

SI17 – Tianrong (Heavenly Appearance)

Functions: Benefits neck and throat, disperses swelling.

Indications: Goiter, sore throat, swelling of neck, tinnitus.

SI18 – Quanliao (Cheek Bone Crevice)

Functions: Expels Wind, clears Heat, reduces swelling.

Indications: Facial paralysis, Bell's palsy, toothache, facial swelling, tic.

SI19 – Tinggong (Palace of Hearing) ★★

Functions: Benefits the ears, calms Shen, opens orifices.

Indications: Tinnitus, deafness, otitis media, jaw pain, ear fullness, TMJ.

Functions and Indications of Bladder Channel points BL1 to BL67, based on the *Acupuncture Point Book* and *Acupuncture Point Dynamics Vol 1* and *Vol 2*

BL1 – Jingming (Bright Eyes)

Functions: Benefits the eyes, dispels Wind, clears Heat, opens channels.

Indications: Red, painful, swollen, or dry eyes; night blindness; photophobia; lacrimation; glaucoma; optic atrophy; twitching eyelids; blurred vision.

BL2 – Zanzhu (Gathered Bamboo)

Functions: Benefits the eyes, clears Heat, opens sinuses, relieves pain.

Indications: Frontal headache, eye twitching, eye pain, blurred vision, tearing, sinus congestion, allergic rhinitis.

BL3 – Meichong (Eyebrow Pouring)

Functions: Expels Wind, clears the head, brightens eyes and nose.

Indications: Headache, dizziness, nasal obstruction, epilepsy, poor memory, eye disorders.

BL4 – Quchai (Crooked Curve)

Functions: Opens the orifices, clears the head, benefits eyes and nose.

Indications: Headache, nasal congestion, rhinitis, blurred vision, epilepsy, dizziness.

BL5 – Wuchu (Fifth Place)

Functions: Opens sensory orifices, clears Wind and Heat from the head.

Indications: Vertigo, epilepsy, nasal congestion, headache, mania.

BL6 – Chengguang (Receiving Light)

Functions: Clears the head, benefits the eyes and nose.

Indications: Headache, blurred vision, nasal obstruction, epistaxis.

BL7 – Tongtian (Heavenly Connection)

Functions: Clears nasal passages, opens the head, dispels Wind.

Indications: Nasal congestion, loss of smell, rhinitis, dizziness, headache.

BL8 – Luoque (Declining Connection)

Functions: Clears the mind, opens the orifices, soothes the nerves.

Indications: Dizziness, blurry vision, depression, mania, nasal obstruction.

BL9 – Yuzhen (Jade Pillow)

Functions: Clears the head and nose, benefits the eyes.

Indications: Occipital headache, eye pain, neck stiffness, rhinitis, epilepsy.

BL10 – Tianzhu (Heavenly Pillar)

Functions: Regulates Qi, clears brain, soothes sinews.

Indications: Stiff neck, dizziness, headache, shoulder pain, nasal congestion, sore throat.

BL11 – Dazhu (Great Shuttle)

Functions: Influential point of bone, strengthens bones, expels Wind.

Indications: Osteoporosis, bone pain, back stiffness, common cold, fever, neck rigidity.

BL12 – Fengmen (Wind Gate)

Functions: Expels Wind, releases exterior, strengthens Wei Qi.

Indications: Common cold, chills and fever, nasal congestion, cough, asthma, neck pain.

BL13 – Feishu (Lung Shu)

Functions: Tonifies Lung Qi, regulates Lung function, clears Heat.

Indications: Cough, asthma, chest fullness, sweating, tuberculosis, skin disorders, fatigue.

BL14 – Jueyinshu (Pericardium Shu)

Functions: Regulates Heart, calms Shen, opens the chest.

Indications: Chest pain, palpitations, restlessness, anxiety, cough with emotional cause.

BL15 – Xinshu (Heart Shu)

Functions: Nourishes Heart, calms Shen, strengthens Spirit.

Indications: Insomnia, palpitations, memory loss, mania, epilepsy, anxiety.

BL16 – Dushu (Governing Shu)

Functions: Benefits the spine and chest.

Indications: Chest and back pain, spinal stiffness, skin disorders.

BL17 – Geshu (Diaphragm Shu)

Functions: Influential point of Blood, invigorates Blood, stops bleeding.

Indications: Anemia, blood stagnation, nosebleed, vomiting blood, chest pain, skin disorders.

BL18 – Ganshu (Liver Shu)

Functions: Tonifies Liver, moves Qi and Blood, clears Damp-Heat.

Indications: Hypochondriac pain, anger, blurred vision, menstrual issues, hepatitis, eye disorders.

BL19 – Danshu (Gall Bladder Shu)

Functions: Clears Gall Bladder Damp-Heat, harmonizes Shaoyang.

Indications: Jaundice, hypochondriac pain, bitter taste, vomiting, decision-making difficulties.

BL20 – Pishu (Spleen Shu)

Functions: Tonifies Spleen Qi, resolves Damp, holds Blood.

Indications: Poor appetite, diarrhea, fatigue, abdominal distension, prolapse, blood in stool.

BL21 – Weishu (Stomach Shu)

Functions: Regulates and tonifies Stomach, harmonizes Middle Jiao.

Indications: Epigastric pain, nausea, vomiting, acid reflux, bloating.

BL22 – Sanjiaoshu (Triple Burner Shu)

Functions: Regulates water passages, transforms Dampness.

Indications: Edema, dysuria, urinary retention, abdominal distension.

BL23 – Shenshu (Kidney Shu)

Functions: Tonifies Kidney Yin/Yang/Qi, nourishes essence, strengthens lumbar.

Indications: Low back pain, tinnitus, infertility, night sweats, urinary issues.

BL24 – Qihai (Sea of Qi Shu)

Functions: Strengthens lumbar, regulates Qi and Blood.

Indications: Lower backache, irregular menses, leg weakness.

BL25 – Dachangshu (Large Intestine Shu)

Functions: Regulates intestines, transforms stagnation.

Indications: Constipation, diarrhea, abdominal distension, low back pain.

BL26 – Guanyuanshu (Gate of Origin Shu)

Functions: Strengthens low back, regulates Lower Jiao.

Indications: Lumbago, abdominal pain, dysmenorrhea, urinary problems.

BL27 – Xiaochangshu (Small Intestine Shu)

Functions: Regulates Small Intestine, resolves Damp, strengthens back.

Indications: Abdominal pain, borborygmus, diarrhea, urinary problems.

BL28 – Pangguangshu (Bladder Shu)

Functions: Regulates Bladder, resolves Damp-Heat, benefits lumbar.

Indications: Frequent urination, painful urination, incontinence, lumbago, enuresis.

BL29 – Zhonglushu (Mid-Spine Shu)

Functions: Warms Yang, benefits lumbar and intestines.

Indications: Diarrhea, low back pain, rectal prolapse.

BL30 – Baihuanshu (White Ring Shu)

Functions: Warms Lower Jiao, benefits genital region.

Indications: Seminal emission, irregular menstruation, leukorrhea, lower limb weakness.

BL31 – Shangliao

Functions: Regulates the lower jiao, benefits urination and defecation, regulates menstruation, alleviates pain.

Indications: Lower back pain, sciatica, irregular menstruation, dysmenorrhea, leukorrhea, urinary difficulty, constipation, infertility.

BL32 – Ciliao

Functions: Regulates lower jiao, tonifies Kidney, invigorates Blood, relieves pain.

Indications: Dysmenorrhea, infertility, irregular menstruation, lower back pain, sciatica, urinary retention, leukorrhea.

BL33 – Zhongliao

Functions: Benefits lower jiao, invigorates channels, stops pain, regulates bladder and uterus.

Indications: Irregular menstruation, sciatica, lumbar pain, urinary issues, infertility.

BL34 – Xialiao

Functions: Regulates lower jiao, clears Damp-Heat, benefits urination, strengthens sacrum.

Indications: Dysuria, leukorrhea, uterine prolapse, low back and sacral pain, sciatica, constipation.

BL35 – Huiyang

Functions: Clears Damp-Heat, regulates the lower jiao, benefits anus.

Indications: Hemorrhoids, anal itching, pain, diarrhea, leukorrhea, sexual dysfunction.

BL36 – Chengfu

Functions: Relaxes sinews, activates channel, alleviates pain, benefits lower jiao.

Indications: Sciatica, lower back and thigh pain, constipation, muscular atrophy, hemorrhoids.

BL37 – Yinmen

Functions: Activates channel, alleviates pain, benefits lumbar spine.

Indications: Sciatica, lower limb paralysis, back pain, weakness of the leg.

BL38 – Fuxi

Functions: Relaxes sinews, clears Heat, benefits the knee.

Indications: Numbness and pain in buttocks and thigh, paralysis, knee pain.

BL39 – Weiyang (Lower He-Sea of San Jiao)

Functions: Regulates urination, benefits bladder, clears Damp-Heat.

Indications: Urinary difficulty or retention, edema, stiffness and pain of lower limb.

BL40 – Weizhong (He-Sea Point)

Functions: Clears Heat, cools Blood, benefits lumbar spine and knees, relaxes sinews.

Indications: Lower back pain, knee pain, difficult urination, skin diseases (eczema, urticaria), nosebleeds, abdominal pain, summer-heat stroke.

BL41 – Fufen

Functions: Activates channel, expels Wind-Cold, strengthens back.

Indications: Neck stiffness, upper back pain, shoulder and scapula pain.

BL42 – Pohu

Functions: Tonifies Lung, soothes the Po (corporeal soul), regulates Qi.

Indications: Pulmonary tuberculosis, asthma, cough, dyspnea, sadness, grief.

BL43 – Gaohuangshu

Functions: Tonifies and nourishes Lung, Heart, Kidneys, Spleen, Stomach; strengthens body.

Indications: Chronic illness, tuberculosis, night sweats, spontaneous sweating, fatigue, poor memory, weak constitution.

BL44 – Shentang

Functions: Calms Shen, regulates Heart, unbinds chest.

Indications: Insomnia, palpitations, anxiety, chest pain, cough, asthma.

BL45 – Yixi

Functions: Expels Wind, clears Heat, invigorates channel.

Indications: Cough, asthma, fever, back pain, shoulder pain.

BL46 – Geguan

Functions: Opens diaphragm, benefits digestion, regulates Middle Jiao.

Indications: Vomiting, hiccup, belching, back pain, chest stuffiness.

BL47 – Hunmen

Functions: Regulates Liver, soothes Liver Qi, benefits Hun (ethereal soul).

Indications: Irritability, depression, sighing, flank pain, rib pain, digestive problems from Liver Qi stagnation.

BL48 – Yanggang

Functions: Regulates Gallbladder, clears Damp-Heat.

Indications: Jaundice, pain in hypochondrium, indigestion, diarrhea.

BL49 – Yishe

Functions: Strengthens Spleen, resolves Dampness, regulates digestion.

Indications: Abdominal distention, vomiting, diarrhea, Spleen deficiency.

BL50 – Weicang

Functions: Harmonizes Stomach, benefits digestion.

Indications: Epigastric pain, poor appetite, bloating, indigestion.

BL51 – Huangmen

Functions: Regulates Triple Burner, transforms Dampness.

Indications: Abdominal fullness, constipation, back pain, fluid retention.

BL52 – Zhishi

Functions: Tonifies Kidneys, benefits essence, regulates urination, strengthens lower back.

Indications: Impotence, infertility, urinary issues, back pain, exhaustion.

BL53 – Baohuang

Functions: Benefits lumbar region and urination.

Indications: Lumbago, sciatica, dysuria, urinary obstruction.

BL54 – Zhibian

Functions: Benefits lower jiao, activates channel, stops pain.

Indications: Lumbosacral pain, sciatica, constipation, urinary issues.

BL55 – Heyang

Functions: Relaxes sinews, clears channel.

Indications: Leg pain, spasm, uterine bleeding, back pain.

BL56 – Chengjin

Functions: Relaxes sinews, benefits leg.

Indications: Calf cramps, hemorrhoids, lower leg pain and swelling.

BL57 – Chengshan

Functions: Relieves pain, treats hemorrhoids, activates channel.

Indications: Hemorrhoids, calf cramp, heel pain, lower back pain, constipation.

BL58 – Feiyang (Luo-Connecting Point)

Functions: Harmonizes upper and lower, expels Wind, relieves pain.

Indications: Headache, dizziness, sciatica, hemorrhoids, leg pain, visual disturbances.

BL59 – Fuyang (Xi-Cleft of Yang Qiao Mai)

Functions: Benefits lumbar, invigorates Yang Qiao Mai, relaxes sinews.

Indications: Lumbar pain, leg weakness, convulsions.

BL60 – Kunlun (Jing-River Point)

Functions: Clears Heat, activates channel, relaxes sinews, promotes labor.

Indications: Occipital headache, neck stiffness, epilepsy, difficult labor, ankle pain, backache.

BL61 – Pucan

Functions: Relaxes sinews, benefits ankle.

Indications: Ankle sprain, foot pain, lower limb numbness.

BL62 – Shenmai (Confluent point of Yang Qiao Mai)

Functions: Opens Yang Qiao Mai, clears Spirit, treats insomnia.

Indications: Epilepsy, insomnia, manic-depression, lumbar pain, foot drop.

BL63 – Jinmen (Xi-Cleft Point)

Functions: Clears Heat, stops acute pain, pacifies Wind.

Indications: Epilepsy, acute lumbar sprain, leg pain, convulsions.

BL64 – Jinggu (Yuan-Source Point)

Functions: Clears Head, calms Shen, clears Wind.

Indications: Headache, neck pain, back pain, palpitations, epilepsy.

BL65 – Shugu (Shu-Stream Point)

Functions: Clears Head, benefits eyes, relieves pain.

Indications: Headache, neck stiffness, eye pain, backache.

BL66 – Zutonggu (Ying-Spring Point)

Functions: Clears Heat, calms Shen, descends Qi.

Indications: Headache, neck pain, nosebleed, eye redness, mental agitation.

BL67 – Zhiyin (Jing-Well Point, Exit Point)

Functions: Expels Wind, benefits eyes and nose, promotes labor, turns fetus.

Indications: Malposition of fetus, delayed labor, difficult delivery, headache, nasal congestion, eye problems.

Kidney Meridian (KID 1–27) — Functions and Indications of each point, based entirely on the *Acupuncture Point Book* and *Acupuncture Point Dynamics Vol 1 & 2* by Dr. John McDonald.

KID-1 (Yong Quan – Gushing Spring)

Functions: Grounds and descends excess from the head, nourishes Kidney Yin, clears Heat, calms Shen.

Indications: Dizziness, vertex headache, tinnitus, insomnia, agitation, epilepsy, sore throat due to Yin deficiency, loss of consciousness.

KID-2 (Ran Gu – Blazing Valley)

Functions: Clears Deficiency Heat, regulates the lower Jiao, nourishes Yin.

Indications: Night sweats, thirst, sore throat, genital itching, uterine bleeding, hot flashes, infertility, diabetes symptoms.

KID-3 (Tai Xi – Supreme Stream)

Functions: Tonifies Kidney Yin and Yang, strengthens lower back and knees, anchors Qi.

Indications: Low back pain, tinnitus, deafness, impotence, sterility, urinary issues, asthma, toothache, irregular menstruation.

KID-4 (Da Zhong – Great Bell)

Functions: Strengthens the will (Zhi), stabilizes the Kidney Qi, relieves fear.

Indications: Fear, palpitations, depression, lumbar pain, cough, asthma.

KID-5 (Shui Quan – Water Spring)

Functions: Regulates Chong and Ren vessels, benefits menstruation.

Indications: Irregular menstruation, dysmenorrhea, amenorrhea, uterine bleeding, painful urination.

KID-6 (Zhao Hai – Shining Sea)

Functions: Nourishes Yin, benefits throat, regulates Yin Qiao Mai, calms Shen.

Indications: Insomnia, sore throat, dry throat, constipation, epilepsy, night-time seizures, chronic cough, red eyes.

KID-7 (Fu Liu – Returning Current)

Functions: Tonifies Kidney Yang, regulates sweating, strengthens lumbar region.

Indications: Spontaneous sweating, night sweats, edema, leg pain, diarrhea, cold limbs.

KID-8 (Jiao Xin – Exchange Belief)

Functions: Regulates Ren and Chong vessels, adjusts menstruation, stops uterine bleeding.

Indications: Irregular menstruation, dysmenorrhea, uterine bleeding, prolapse, abdominal masses.

KID-9 (Zhu Bin – Guest House)

Functions: Clears Heart and transforms Phlegm, calms Shen, tonifies Kidney Yin.

Indications: Mania, epilepsy, nightmares, mental restlessness, vomiting of pregnancy.

KID-10 (Yin Gu – Yin Valley)

Functions: Clears Damp-Heat from Lower Jiao, benefits Kidneys.

Indications: Painful urination, genital pain, uterine bleeding, knee swelling and pain.

KID-11 to KID-21 (*on the lower abdomen, parallel to Ren*)

Functions (general): Regulate the Chong and Ren channels, benefit the uterus, regulate lower Jiao, tonify Kidneys.

Indications: Infertility, irregular menstruation, leucorrhea, hernia, lower abdominal pain, retention of urine, difficult urination.

KID-11 (Heng Gu): Hernia, seminal emission, urinary dysfunction

KID-12 (Da He): Uterine prolapse, infertility, leucorrhea

KID-13 (Qi Xue): Amenorrhea, dysmenorrhea, retention of placenta

KID-14 (Si Man): Masses in abdomen, irregular menstruation

KID-15 (Zhong Zhu): Constipation, infertility

KID-16 (Huang Shu): Abdominal pain, vomiting

KID-17 (Shang Qu): Diarrhea, uterine bleeding

KID-18 (Shi Guan): Epilepsy, abdominal distention

KID-19 (Yin Du): Vomiting, poor appetite

KID-20 (Fu Tong Gu): Abdominal masses, poor digestion

KID-21 (You Men): Fullness in chest, morning sickness

KID-22 to KID-27 (*chest region*)

Functions (general): Opens chest, calms Shen, descends rebellious Qi, benefits breasts and Lungs.

Indications: Asthma, cough, chest oppression, anxiety, palpitations, breast distention.

KID-22 (Bu Lang): Asthma, chest pain, vomiting

KID-23 (Shen Feng): Mastitis, insomnia, rebellious Stomach Qi

KID-24 (Ling Xu): Cough with phlegm, emotional agitation

KID-25 (Shen Cang): Chest tightness, wheezing

KID-26 (Yu Zhong): Dyspnea, hiccup, breast lumps

KID-27 (Shu Fu): Asthma, nausea, difficult swallowing, thyroid swelling

Kidney meridian — individual point-wise from **KI-11 to KI-27**, based on the *Acupuncture Point Book* and *Acupuncture Point Dynamics Vol 1 & 2*.

Functions and Indications.

KI-11 (Henggu – Pubic Bone)

Functions: Regulates the Lower Jiao, benefits the Kidney and Bladder, moves Qi and blood, resolves Damp-Heat.

Indications: Urinary disorders (retention, difficult urination), lower abdominal pain, hernia, genital pain, seminal emission, uterine prolapse, leukorrhea.

KI-12 (Dahe – Great Luminance)

Functions: Tonifies Kidney and Essence, stabilizes the lower orifices, regulates menstruation and reproductive function.

Indications: Irregular menstruation, infertility, leukorrhea, prolapse of uterus, seminal emission, impotence, lower abdominal pain.

KI-13 (Qixue – Qi Cave)

Functions: Tonifies Kidney Essence, regulates Chong and Ren channels, harmonizes uterus and menstruation.

Indications: Irregular menstruation, amenorrhea, dysmenorrhea, infertility, abdominal masses, uterine bleeding, prolapse of uterus.

KI-14 (Siman – Four Fullnesses)

Functions: Regulates Qi and Blood, harmonizes the Chong, moves Stagnation, benefits lower abdomen.

Indications: Abdominal distention, pain or masses, irregular menstruation, infertility, dysmenorrhea, diarrhea, uterine bleeding.

KI-15 (Zhongzhu – Middle Flow)

Functions: Regulates Chong and Ren, benefits reproductive organs, moves Qi and Blood, stabilizes lower orifices.

Indications: Irregular menstruation, leukorrhea, uterine bleeding, infertility, abdominal pain, constipation.

KI-16 (Huangshu – Vitals' Shu)

Functions: Tonifies Kidney, harmonizes the Stomach and Intestines, regulates Qi, dispels Cold.

Indications: Abdominal pain, constipation, diarrhea, vomiting, indigestion, edema, cold limbs, infertility.

KI-17 (Shangqu – Shang Bend)

Functions: Moves Qi and Blood, harmonizes the Spleen and Stomach, clears Damp-Heat.

Indications: Abdominal pain, indigestion, vomiting, diarrhea, masses in abdomen, dysmenorrhea.

KI-18 (Shiguan – Stone Pass)

Functions: Harmonizes Stomach, alleviates pain, regulates lower Jiao, moves blood.

Indications: Abdominal pain, vomiting, constipation, irregular menstruation, abdominal masses, infertility.

KI-19 (Yindu – Yin Metropolis)

Functions: Harmonizes Stomach and Intestines, tonifies Kidney, relieves pain, subdues rebellious Qi.

Indications: Epigastric pain, vomiting, nausea, abdominal masses, fullness of chest, anxiety.

KI-20 (Tonggu – Open Valley)

Functions: Harmonizes Middle Jiao, strengthens Spleen, calms Mind, transforms Phlegm.

Indications: Abdominal pain, poor appetite, vomiting, palpitations, restlessness, mania.

KI-21 (Youmen – Hidden Gate)

Functions: Harmonizes Stomach and Liver, relieves pain, descends rebellious Qi.

Indications: Chest and epigastric pain, vomiting, poor appetite, indigestion, anxiety, abdominal distention.

KI-22 (Bulang – Walking Corridor)

Functions: Unbinds the chest, promotes Qi and Blood circulation, clears Lung and Heart Heat.

Indications: Cough, chest tightness, asthma, palpitations, nausea, vomiting, mastitis.

KI-23 (Shenfeng – Spirit Seal)

Functions: Opens chest, benefits Lung and Heart, relieves cough and wheezing, clears Phlegm.

Indications: Chest pain, cough, asthma, dyspnea, intercostal pain, restlessness.

KI-24 (Lingxu – Spirit Burial Ground)

Functions: Opens chest, transforms Phlegm, calms Shen, benefits Lung and Breast.

Indications: Cough, asthma, chest congestion, breast pain or abscess, insomnia, depression.

KI-25 (Shencang – Spirit Storehouse)

Functions: Regulates Qi, opens chest, benefits Lung and Heart, resolves Phlegm.

Indications: Asthma, cough, chest pain, intercostal neuralgia, palpitations, emotional agitation.

KI-26 (Yuzhong – Comfortable Chest)

Functions: Opens chest, regulates Qi, transforms Phlegm, descends rebellious Lung Qi.

Indications: Cough, wheezing, asthma, chest tightness, sore throat, difficulty breathing.

KI-27 (Shufu – Shu Mansion)

Functions: Regulates Qi, benefits Lung and Throat, unbinds chest, descends rebellion.

Indications: Cough, wheezing, asthma, chest congestion, sore throat, dyspnea, nausea, vomiting.

Pericardium meridian points

(PC1 to PC9).

Functions and Indications for each point, based on the *Acupuncture Point Book* and *Acupuncture Point Dynamics Vol. 1 & 2* by Dr. John McDonald.

PC1 – Tian Chi (Heavenly Pool)

Functions:

Unbinds the chest

Regulates Qi

Benefits the breasts
Dissipates nodules

Indications:

Chest fullness, chest oppression, cough with phlegm
Swelling or pain in the axilla
Mastitis, insufficient lactation
Breast abscess, breast lumps

PC2 – Tian Quan (Heavenly Spring)

Functions:

Unblocks the meridian
Invigorates Blood
Soothes the chest

Indications:

Cardiac pain, chest tightness
Hypochondriac pain
Arm and shoulder pain
Coughing blood, restlessness

PC3 – Qu Ze (Marsh at the Crook) *He-Sea, Water Point*

Functions:

Clears Heat from the Qi, Nutritive and Blood levels
Harmonizes the Stomach
Stops vomiting
Invigorates Blood
Cools Blood
Opens the chest

Indications:

Febrile diseases, sunstroke
Heart pain, palpitations, chest fullness
Nausea, vomiting, tremor of hand
Stomachache, irritability, elbow pain

PC4 – Xi Men (Xi-Cleft Gate) *Xi-Cleft Point*

Functions:

Moves Blood
Calms the Heart
Stops pain
Cools Blood
Stops bleeding

Indications:

Acute chest pain, angina
Cardiac pain, palpitations
Hematemesis, hemoptysis
Mental restlessness, fear

PC5 – Jian Shi (Intermediate Messenger) *Jing-River, Metal Point*

Functions:

Regulates Heart Qi
Transforms Phlegm
Calms the Shen
Descends rebellious Stomach Qi

Indications:

Arrhythmia, heart pain, palpitations
Epilepsy, mania, depression
Plum pit Qi, nausea, vomiting
Malaria, fever with chills

PC6 – Nei Guan (Inner Pass) *Luo-Connecting Point, Master of Yin Wei Mai*

Functions:

Opens the chest
Regulates Heart and Calms Shen
Harmonizes the Stomach
Alleviates nausea and vomiting
Regulates Qi

Indications:

Chest tightness, angina, palpitations
Anxiety, insomnia, epilepsy
Nausea, morning sickness, motion sickness
Hiccup, vomiting
Pain in the hypochondrium and epigastrium

PC7 – Da Ling (Great Mound) *Shu-Stream, Yuan-Source, Earth Point, Ghost Point*

Functions:

Calms Shen
Clears Heat
Harmonizes the Stomach and Intestines
Unbinds the chest

Indications:

Insomnia, manic behavior, sadness
Heart pain, palpitations
Stomach ache, bad breath
Carpal tunnel syndrome
Seizures, mouth ulcers

PC8 – Lao Gong (Palace of Toil) *Ying-Spring, Fire Point, Ghost Point***Functions:**

Clears Heart Fire
Calms the Shen
Cools Blood
Revives consciousness

Indications:

High fever, mouth ulcers, bad breath
Emotional agitation, mania, epilepsy
Fungal infections of the hand, eczema
Heat stroke, loss of consciousness
Pain or burning in the palms

PC9 – Zhong Chong (Middle Rushing) *Jing-Well, Wood Point***Functions:**

Clears Heat
Revives consciousness
Opens the orifices
Regulates Heart Qi

Indications:

Cardiac pain, palpitations
Fainting, stroke, coma
Heat in the tongue or mouth, tongue stiffness
Febrile diseases with delirium

Functions and Indications for each Triple Burner (San Jiao) channel point (SJ 1 to SJ 23)**Acupuncture Point Book and Acupuncture Point Dynamics Vol 1 & 2.****SJ 1 – Guanchong (Rushing Pass)**

Functions: Clears Heat, benefits the ears and tongue, promotes resuscitation.

Indications: Tinnitus, deafness, sore throat, red eyes, tongue stiffness, headache, febrile diseases, loss of consciousness.

SJ 2 – Yemen (Fluid Gate)

Functions: Clears Heat in the Upper Burner, benefits the ears, removes obstructions.

Indications: Earache, tinnitus, headache, sore throat, dry mouth, eye redness, hand and arm pain.

SJ 3 – Zhongzhu (Central Islet)

Functions: Clears Heat, benefits the ears and eyes, opens channels.

Indications: Tinnitus, deafness, headache, redness of the eyes, sore throat, finger numbness, pain in the hand/elbow.

SJ 4 – Yangchi (Yang Pool)

Functions: Regulates Qi and fluids, strengthens Yuan Qi, removes obstruction from the channel.

Indications: Wrist pain, arm stiffness, shoulder pain, diabetes, deafness, thirst, malaria.

SJ 5 – Waiguan (Outer Pass)

Functions: Expels Wind and Heat, releases exterior, benefits the head and ears, opens Yang Linking Vessel (Yang Wei Mai).

Indications: Febrile diseases, headache, tinnitus, stiff neck, common cold, upper limb pain, earache.

SJ 6 – Zhigou (Branch Ditch)

Functions: Regulates Qi, clears Heat, unblocks bowels.

Indications: Constipation, hypochondriac pain, tinnitus, febrile diseases, arm and shoulder pain.

SJ 7 – Huizong (Ancestral Meeting)

Functions: Clears the San Jiao channel, benefits the ears.

Indications: Deafness, tinnitus, headache, epilepsy, pain in the arm.

SJ 8 – Sanyangluo (Three Yang Luo)

Functions: Clears the channel, benefits the ears.

Indications: Deafness, sudden hearing loss, ear pain, arm pain.

SJ 9 – Sidu (Four Rivers)

Functions: Removes obstructions, benefits throat and ears.

Indications: Deafness, earache, toothache, migraine, arm and wrist pain.

SJ 10 – Tianjing (Heavenly Well)

Functions: Transforms Phlegm and Damp, clears Heat, benefits joints.

Indications: Scrofula, goiter, cough, epilepsy, migraine, arm tremors.

SJ 11 – Qinglengyuan (Clear Cold Abyss)

Functions: Activates the channel, relieves pain.

Indications: Arm pain, shoulder stiffness, motor impairment.

SJ 12 – Xiaoluo (Dispersing Luo River)

Functions: Soothes the sinews, relieves pain.

Indications: Arm stiffness, shoulder pain, neuralgia.

SJ 13 – Naohui (Upper Arm Meeting Point)

Functions: Resolves masses, removes obstructions.

Indications: Goiter, lymph swelling, shoulder and arm pain.

SJ 14 – Jianliao (Shoulder Crevice)

Functions: Clears channels, relieves shoulder pain.

Indications: Frozen shoulder, shoulder joint stiffness, hemiplegia.

SJ 15 – Tianliao (Heavenly Crevice)

Functions: Expels Wind, benefits joints and shoulders.

Indications: Shoulder and neck pain, upper back stiffness, Wind invasion.

SJ 16 – Tianyou (Window of Heaven)

Functions: Clears Heat, benefits the head and sense organs, regulates Qi.

Indications: Headache, neck stiffness, sudden deafness, facial swelling, tinnitus.

SJ 17 – Yifeng (Wind Screen)

Functions: Benefits ears and jaw, expels Wind.

Indications: Tinnitus, deafness, toothache, TMJ dysfunction, Bell's palsy, facial paralysis.

SJ 18 – Qimai (Spasm Vessel)

Functions: Benefits ears and calms the Shen.

Indications: Infantile convulsions, deafness, tinnitus, headache.

SJ 19 – Luxi (Skull's Rest)

Functions: Clears Heat and Wind, calms convulsions.

Indications: Headache, earache, epilepsy, infantile convulsions.

SJ 20 – Jiaosun (Minute Angle)

Functions: Benefits ears and clears vision.

Indications: Tinnitus, headache, eye pain, toothache, facial pain.

SJ 21 – Ermen (Ear Gate)

Functions: Opens the ear, clears Heat.

Indications: Deafness, tinnitus, otitis media, jaw pain, toothache.

SJ 22 – Erheliao (Harmony Bone Hole)

Functions: Dispels Wind, benefits hearing.

Indications: Migraine, deafness, facial twitching, jaw pain.

SJ 23 – Sizhukong (Silken Bamboo Hollow)

Functions: Eliminates Wind, benefits the eyes, relieves pain.

Indications: Headache, red eyes, twitching eyelids, facial paralysis.

Gall Bladder (GB) Points 1 to 64, Functions and Indications

From Acupuncture Point Dynamics Vol 1 & 2 and the Acupuncture Point Book.

GB-1 (Tongziliao – Pupil Crevice)

Functions: Benefits the eyes, eliminates Wind, clears Heat.

Indications: Eye pain, redness, itching, night blindness, dry eyes, lacrimation, facial paralysis, temporal headache.

GB-2 (Tinghui – Meeting of Hearing)

Functions: Benefits the ears, eliminates Wind, opens the channel.

Indications: Tinnitus, deafness, earache, jaw pain, toothache, facial paralysis.

GB-3 (Shangguan – Above the Joint)

Functions: Eliminates Wind, benefits the ears and jaw.

Indications: Earache, deafness, jaw pain, headache, facial paralysis, toothache.

GB-4 (Hanyan – Jaw Serenity)

Functions: Eliminates Wind, clears Heat, benefits the head.

Indications: Migraine, temporal headache, dizziness, tinnitus, epilepsy.

GB-5 (Xuanlu – Suspended Skull)

Functions: Clears Wind and Heat, benefits the head.

Indications: One-sided headache, tinnitus, jaw tension, facial pain.

GB-6 (Xuanli – Suspended Hair)

Functions: Clears the head, dispels Wind.

Indications: Migraine, ear pain, eye disorders, neuralgia.

GB-7 (Qubin – Crook of the Temple)

Functions: Clears the head, opens the sensory orifices.

Indications: Headache, deafness, tinnitus, jaw pain.

GB-8 (Shuaigu – Leading Valley)

Functions: Clears the head, harmonizes the diaphragm and Stomach.

Indications: Migraine, vomiting, alcohol hangover, dizziness.

GB-9 (Tianchong – Heavenly Rushing)

Functions: Clears Wind and Heat, calms Shen.

Indications: Epilepsy, headache, toothache, agitation, neck pain.

GB-10 (Fubai – Floating White)

Functions: Clears the head, opens the channel.

Indications: Headache, neck stiffness, facial paralysis.

GB-11 (Touqiaoyin – Yin Portals of the Head)

Functions: Clears Wind, opens the head orifices.

Indications: Tinnitus, earache, headache, facial pain.

GB-12 (Wangu – Mastoid Process)

Functions: Eliminates Wind, benefits the ears, calms the Shen.

Indications: Insomnia, ear problems, neck pain, facial paralysis.

GB-13 (Benshen – Root of the Spirit)

Functions: Calms Shen, clears the head.

Indications: Mental restlessness, anxiety, epilepsy, headache.

GB-14 (Yangbai – Yang White)

Functions: Benefits the eyes, eliminates Wind.

Indications: Eye twitching, blurred vision, forehead pain, facial paralysis.

GB-15 (Toulinqi – Head Governor of Tears)

Functions: Benefits the eyes and head, eliminates Wind.

Indications: Eye problems, sinus headache, nasal congestion.

GB-16 (Muchuang – Window of the Eye)

Functions: Benefits the eyes and nose, calms Shen.

Indications: Eye pain, red eyes, sinus congestion, epilepsy.

GB-17 (Zhengying – Upright Nutrition)

Functions: Opens the orifices, clears the brain.

Indications: Headache, dizziness, nasal blockage, vertigo.

GB-18 (Chengling – Support Spirit)

Functions: Clears the head, calms Shen.

Indications: Dizziness, headache, visual disturbances, epilepsy.

GB-19 (Naokong – Brain Hollow)

Functions: Clears Wind, benefits the brain.

Indications: Headache, blurred vision, neck pain, convulsions.

GB-20 (Fengchi – Wind Pool) ★★★

Functions: Eliminates Wind (internal/external), clears head and senses, nourishes brain.

Indications: Common cold, flu, vertigo, hypertension, neck pain, eye and ear disorders.

GB-21 (Jianjing – Shoulder Well)

Functions: Moves Qi, transforms phlegm, facilitates delivery, relieves neck/shoulder tension.

Indications: Neck pain, mastitis, labor induction, upper back tension, headaches.

GB-22 (Yuanye – Armpit Abyss)

Functions: Opens the chest, benefits the breast.

Indications: Fullness of chest, cough, breast pain, axillary swelling.

GB-23 (Zhejin – Flank Sinews)

Functions: Regulates Qi in chest and hypochondrium.

Indications: Rib pain, fullness in the chest, cough, asthma.

GB-24 (Riyue – Sun and Moon)

Front-Mu of Gall Bladder

Functions: Benefits Liver and Gall Bladder, resolves Damp-Heat.

Indications: Cholecystitis, hepatitis, hypochondriac pain, nausea, vomiting.

GB-25 (Jingmen – Capital Gate)

Front-Mu of Kidney

Functions: Tonifies Kidney, regulates water passages.

Indications: Nephritis, back pain, digestive upset, edema.

GB-26 (Daimai – Girdling Vessel)

Functions: Regulates Dai Mai, resolves Leukorrhea, stabilizes uterus.

Indications: Irregular menstruation, prolapse, lower abdominal pain, leukorrhea.

GB-27 (Wushu – Five Pivots)

Functions: Regulates Dai Mai and lower Jiao.

Indications: Lower abdominal pain, hernia, leukorrhea, uterine disorders.

GB-28 (Weidao – Linking Path)

Functions: Regulates Dai Mai, supports reproductive organs.

Indications: Hernia, irregular menses, genital pain, leukorrhea.

GB-29 (Juliao – Squatting Bone Hole)

Functions: Relieves hip pain, opens the channel.

Indications: Sciatica, hip joint pain, leg weakness.

GB-30 (Huantiao – Jumping Circle) ★★★

Functions: Benefits hips and legs, removes obstruction.

Indications: Sciatica, hip and thigh pain, paralysis, hemiplegia.

GB-31 (Fengshi – Wind Market)

Functions: Disperses Wind, benefits legs, stops itching.

Indications: Skin itching, leg pain, paralysis, urticaria.

GB-32 (Zhongdu – Middle Ditch)

Functions: Removes obstructions, strengthens lower limbs.

Indications: Leg stiffness, numbness, sciatica.

GB-33 (Xiyangguan – Knee Yang Gate)

Functions: Benefits knee, dispels Wind-Damp.

Indications: Knee swelling, pain, restricted movement.

GB-34 (Yanglingquan – Yang Mound Spring)

He-Sea, Influential Point of Sinews

Functions: Clears Liver and GB Damp-Heat, benefits tendons.

Indications: Gall bladder inflammation, muscle cramps, sciatica, jaundice, knee pain.

GB-35 (Yangjiao – Yang Intersection)

Xi-Cleft of Yang Wei Mai

Functions: Expels Wind-Damp, relaxes sinews.

Indications: Muscle pain, rigidity, leg disorders.

GB-36 (Waiqiu – Outer Hill)

Xi-Cleft Point

Functions: Clears GB Heat, detoxifies poison.

Indications: Rabies, muscle spasms, neck pain, hypochondriac pain.

GB-37 (Guangming – Bright Light)

Luo-Connecting Point

Functions: Benefits eyes, soothes Liver.

Indications: Blurred vision, night blindness, eye strain, leg pain.

GB-38 (Yangfu – Yang Assistance)

Jing-River Point

Functions: Clears GB Fire, harmonizes Shaoyang.

Indications: Migraine, ear disorders, hypochondriac pain, dizziness.

GB-39 (Xuanzhong – Suspended Bell)

Influential Point of Marrow

Functions: Nourishes marrow, strengthens bones, clears Wind.

Indications: Neck stiffness, weakness of legs, dizziness, stroke prevention.

GB-40 (Qixu – Mound of Ruins)

Yuan-Source Point

Functions: Regulates Liver Qi, clears Damp-Heat from GB.

Indications: Ankle pain, gallstones, neck stiffness, emotional disorders.

GB-41 (Zulinqi – Foot Governor of Tears)

Shu-Stream Point, Confluent point of Dai Mai

Functions: Spreads Liver Qi, clears head and eyes, regulates Dai Mai.

Indications: Headache, breast pain, menstrual disorders, foot pain.

GB-42 (Diwuhui – Earth Five Meetings)

Functions: Soothes Liver, clears head.

Indications: Tinnitus, headache, foot pain.

GB-43 (Xiashi – Clamped Stream)

Ying-Spring Point

Functions: Clears GB Heat, benefits head and eyes.

Indications: Migraine, eye pain, tinnitus, febrile disease.

GB-44 (Zuqiaoyin – Yin Portals of the Foot)

Jing-Well Point

Functions: Clears Heat, calms Shen, benefits head.

Indications: Insomnia, nightmares, eye pain, migraine, hypochondriac pain.

Liver meridian (LR 1 to LR 14) Functions and Indications, compiled and adapted from the **Acupuncture Point Book** and **Acupuncture Point Dynamics Vol 1 & 2** by Dr. John McDonald.

LR 1 – Da Dun (Big Mound)

Functions: Clears Liver heat, restores consciousness, regulates menstruation, reduces Fire, disperses

stagnation.

Indications: Hernia, swelling and pain of genitals, uterine bleeding, retention of urine, difficult urination, coma, epilepsy, vertex headache, irregular menstruation.

LR 2 – Xing Jian (Moving Between)

Functions: Clears Liver Fire, subdues Yang, pacifies Wind, clears Heat, benefits lower jiao.

Indications: Headache, red eyes, irritability, dizziness, convulsions, epilepsy, hypochondriac pain, menstrual disorders, leukorrhea, hernia, urinary problems.

LR 3 – Tai Chong (Great Rushing)

Functions: Spreads Liver Qi, subdues Liver Yang, nourishes Liver Blood and Yin, calms Shen, regulates menstruation.

Indications: Stress, anger, depression, headache, hypertension, insomnia, red eyes, painful menstruation, PMS, genital itching, digestive issues, hypochondriac pain.

LR 4 – Zhong Feng (Middle Seal)

Functions: Spreads Liver Qi, clears Cold from Liver channel, regulates lower jiao, benefits urination.

Indications: Hernia, pain and swelling of genitals, urinary difficulty, pain in lower abdomen, coldness in lower limbs.

LR 5 – Li Gou (Woodworm Canal)

Functions: Spreads Liver Qi, clears Damp-Heat from lower jiao, regulates menstruation, benefits genitals.

Indications: Vaginal discharge, itching of genitals, pain/swelling of testes, irregular menstruation, leukorrhea, urinary tract infections, genital pain.

LR 6 – Zhong Du (Central Metropolis)

Functions: Spreads Liver Qi, regulates Qi and Blood, relieves pain.

Indications: Hypochondriac pain, abdominal distention, diarrhea, hernia, uterine bleeding, prolapse of uterus.

LR 7 – Xi Guan (Knee Joint)

Functions: Disperses Liver Qi, regulates lower jiao, benefits knee and joints.

Indications: Pain/swelling of knee, inflammation of joints, abdominal fullness, lower limb stiffness.

LR 8 – Qu Quan (Spring at the Crook)

Functions: Nourishes Liver Blood and Yin, benefits uterus and genitals, clears Damp-Heat from lower jiao.

Indications: Irregular menstruation, uterine bleeding, lower abdominal pain, leukorrhea, knee pain, genital itching, urinary pain, infertility, dizziness.

LR 9 – Yin Bao (Yin-Wrapping)

Functions: Regulates menstruation, benefits lower jiao, adjusts circulation of Liver Qi.

Indications: Irregular menstruation, lower abdominal pain, uterine prolapse, genital pain, lumbar and pelvic pain.

LR 10 – Zu Wu Li (Leg Five Miles)

Functions: Clears Damp-Heat from lower jiao, benefits genitals and urinary tract.

Indications: Genital pain/swelling, difficult urination, leukorrhea, itching of vulva, hernia pain.

LR 11 – Yin Lian (Yin Corner)

Functions: Clears Damp-Heat, promotes urination, regulates lower jiao.

Indications: Vulvar swelling, leukorrhea, difficult urination, genital pain, pelvic inflammation.

LR 12 – Ji Mai (Urgent Pulse)

Functions: Eliminates Damp-Heat, benefits urination and genitals.

Indications: Difficult urination, genital itching, hernia, lower abdominal pain, leukorrhea.

LR 13 – Zhang Men (Completion Gate)

Functions: Harmonizes Liver and Spleen, strengthens Spleen, regulates Qi and transforms Dampness.

Indications: Abdominal distention, vomiting, diarrhea, spleen deficiency, indigestion, hypochondriac pain, hepatitis, flatulence.

LR 14 – Qi Men (Cycle Gate)

Functions: Spreads Liver Qi, harmonizes Liver and Stomach, resolves stagnation and masses.

Indications: Hypochondriac pain, chest fullness, hiccup, acid reflux, vomiting, breast pain, mastitis, emotional distress, depression, abdominal lumps.

Ren (Conception Vessel) Meridian Functions and indications.

Acupuncture Point Book and Acupuncture Point Dynamics Vol 1 & 2:

REN-1 (Huiyin)

Functions: Regulates the lower orifices, stabilizes the Essence, nourishes Yin, resolves Damp-Heat, calms the Mind, benefits the genitalia.

Indications: Urinary retention, enuresis, impotence, hemorrhoids, prolapse of the anus, irregular menstruation, pain/swelling of genitals, mental disturbance, infertility, dysentery.

REN-2 (Qugu)

Functions: Benefits urination, warms and invigorates the Kidneys, regulates the Lower Jiao, benefits the uterus.

Indications: Urinary retention, dribbling urination, dysuria, impotence, irregular menstruation, leukorrhea, hernia, pain in lower abdomen and genitals.

REN-3 (Zhongji)

Functions: Front-Mu of Bladder, benefits the Bladder, regulates menstruation, resolves Damp-Heat, strengthens Kidney Qi.

Indications: Cystitis, urinary tract infections, enuresis, retention of urine, genital pain, uterine bleeding, infertility, leucorrhea.

REN-4 (Guanyuan)

Functions: Front-Mu of Small Intestine, tonifies original Qi, nourishes Blood and Yin, benefits the uterus, regulates menstruation, warms the Kidneys, calms the Shen.

Indications: Fatigue, impotence, infertility, irregular menstruation, dysmenorrhea, leukorrhea, prolapse of uterus, nocturnal emissions, weakness of lower limbs.

REN-5 (Shimen)

Functions: Front-Mu of San Jiao, benefits water passages, regulates uterus, moves and transforms fluids.

Indications: Edema, abdominal distention, amenorrhea, retention of urine, hernia, difficult urination, infertility.

REN-6 (Qihai)

Functions: Tonifies Qi and Yang, benefits original Qi, strengthens Kidney Qi, harmonizes Blood, rescues collapse, stabilizes Essence.

Indications: Fatigue, prolapse of uterus, chronic diarrhea, impotence, infertility, irregular menstruation, abdominal pain, dizziness, asthma, spontaneous sweating.

REN-7 (Yinjiao)

Functions: Nourishes Yin, regulates uterus, clears Heat, benefits the Lower Jiao.

Indications: Irregular menstruation, leukorrhea, uterine bleeding, lower abdominal pain, edema, infertility.

REN-8 (Shenque)

Functions: Warms Yang, rescues collapse, strengthens Spleen and Stomach, harmonizes intestines.

Indications: Chronic diarrhea, cold limbs, collapse, abdominal pain, poor digestion, umbilical pain, prolapse, fatigue, shock.

REN-9 (Shuifen)

Functions: Regulates water passages, transforms Damp, controls edema, harmonizes middle burner.

Indications: Edema, ascites, diarrhea, retention of urine, abdominal distention, bloating, sluggish digestion.

REN-10 (Xiawan)

Functions: Harmonizes the Stomach, descends rebellious Qi, disperses food stagnation.

Indications: Indigestion, epigastric pain, vomiting, nausea, abdominal fullness, belching.

REN-11 (Jianli)

Functions: Harmonizes the Middle Jiao, regulates Qi, promotes digestion.

Indications: Indigestion, poor appetite, epigastric pain, vomiting, abdominal distention, belching.

REN-12 (Zhongwan)

Functions: Front-Mu of Stomach, Influential Point of Fu Organs, harmonizes the Middle Jiao, tonifies Stomach and Spleen, regulates Qi, resolves Damp.

Indications: Gastritis, ulcers, nausea, indigestion, bloating, poor appetite, acid reflux, abdominal pain.

REN-13 (Shangwan)

Functions: Harmonizes Stomach and Heart, descends rebellious Qi, calms the Shen.

Indications: Nausea, vomiting, epigastric pain, acid regurgitation, anxiety, insomnia, palpitations.

REN-14 (Juque)

Functions: Front-Mu of Heart, regulates Heart Qi, calms the Shen, clears Heat, opens the chest.

Indications: Palpitations, chest pain, mental restlessness, anxiety, insomnia, acid reflux, nausea.

REN-15 (Jiuwei)

Functions: Luo-Connecting Point, regulates Heart and Lung, calms the Mind, opens the chest.

Indications: Cardiac pain, anxiety, epilepsy, cough, wheezing, chest tightness.

REN-16 (Zhongting)

Functions: Unbinds the chest, regulates Qi in the chest, benefits the diaphragm.

Indications: Chest fullness, cough, asthma, indigestion, hiccup, chest pain.

REN-17 (Shanzhong)

Functions: Front-Mu of Pericardium, Influential Point of Qi, regulates Qi, opens chest, benefits Lung and Heart, promotes lactation.

Indications: Chest oppression, palpitations, cough, asthma, dyspnea, insufficient lactation, anxiety.

REN-18 (Yutang)

Functions: Opens chest, benefits throat and voice, resolves phlegm.

Indications: Chest pain, cough, asthma, difficulty swallowing, hoarseness.

REN-19 (Zigong)

Functions: Opens chest, descends rebellious Qi.

Indications: Dyspnea, chest tightness, asthma, intercostal pain.

REN-20 (Huaigai)

Functions: Opens chest, regulates Lung Qi.

Indications: Cough, asthma, wheezing, dyspnea, pain in chest and sternum.

REN-21 (Xuanji)

Functions: Descends Lung Qi, opens chest, relieves cough.

Indications: Asthma, cough, chest tightness, hiccup, difficulty swallowing.

REN-22 (Tiantu)

Functions: Descends rebellious Lung Qi, benefits the throat and voice, resolves phlegm.

Indications: Cough, asthma, sore throat, loss of voice, goiter, hiccup.

REN-23 (Lianquan)

Functions: Benefits tongue and speech, clears Fire, resolves phlegm.

Indications: Aphasia, speech difficulty, sore throat, stiffness of tongue, mouth ulcers, excessive salivation.

REN-24 (Chengjiang)

Functions: Eliminates Wind, benefits the face, regulates Ren and Du channels, calms the Mind.

Indications: Facial paralysis, deviation of mouth, excessive salivation, toothache, mental disorders, lockjaw.

Functions and Indications of the Du (Governing Vessel) Meridian points

Based on

 *Acupuncture Point Book*

 *Acupuncture Point Dynamics Vol 1 & 2* by Dr. John McDonald

DU-1 (Changqiang / Long Strong)

Functions:

Regulates the anus, stabilizes the lower orifices, benefits the spine, calms the Spirit, harmonizes Yin and Yang.

Indications:

Hemorrhoids, prolapse of the rectum, diarrhea, dysentery, constipation, pain in the lower back, epilepsy, mania, depression, tailbone trauma.

DU-2 (Yaoshu / Lumbar Shu)

Functions:

Benefits the lumbar spine and lower limbs, strengthens the lower back.

Indications:

Pain and stiffness of the lumbar region and sacrum, lower limb weakness, sciatica, motor impairment.

DU-3 (Yaoyangguan / Lumbar Yang Gate)

Functions:

Strengthens the lumbar region and legs, expels Wind-Damp.

Indications:

Lumbago, stiffness and pain of the back, motor impairment of the lower limbs, irregular menstruation, seminal emission.

DU-4 (Mingmen / Gate of Life)

Functions:

Tonifies Kidney Yang, warms the Gate of Vitality, strengthens the lumbar spine, regulates the Governing Vessel.

Indications:

Impotence, spermatorrhea, diarrhea, indigestion, lumbar pain, cold sensation in the body, fatigue, tinnitus, developmental delays.

DU-5 (Xuanshu / Suspended Pivot)

Functions:

Benefits the lumbar spine, regulates the lower jiao.

Indications:

Abdominal distension, diarrhea, lumbosacral pain, stiffness of the back.

DU-6 (Jizhong / Center of the Spine)

Functions:

Tonifies the Spleen and drains Damp, strengthens the spine.

Indications:

Epilepsy, stiffness of the spine, digestive weakness, chronic diarrhea, fatigue, prolapse of rectum.

DU-7 (Zhongshu / Central Pivot)

Functions:

Benefits the spine, harmonizes the middle jiao.

Indications:

Abdominal fullness, poor appetite, jaundice, back stiffness, epigastric pain.

DU-8 (Jinsuo / Sinew Contraction)

Functions:

Soothes the Liver, calms Wind, relaxes the sinews.

Indications:

Epilepsy, convulsions, stiffness of the back, spasms, tremors, anger-related disorders.

DU-9 (Zhiyang / Reaching Yang)

Functions:

Opens the chest, clears Heat, benefits the Gall Bladder, smooths Liver Qi.

Indications:

Jaundice, cough, asthma, chest tightness, back pain, hypochondriac pain.

DU-10 (Lingtai / Spirit Tower)

Functions:

Clears Lung Heat, detoxifies poisons, alleviates coughing and wheezing.

Indications:

Furuncles, carbuncles, coughing, wheezing, back pain.

DU-11 (Shendao / Spirit Pathway)**Functions:**

Calms the Spirit, nourishes the Heart, clears the mind.

Indications:

Anxiety, poor memory, palpitations, cardiac pain, epilepsy, back stiffness.

DU-12 (Shenzhu / Body Pillar)**Functions:**

Clears Lung and Heart Heat, calms the Spirit, strengthens the spine.

Indications:

Epilepsy, cough, asthma, back pain, stiffness, mania, childhood fright.

DU-13 (Taodao / Way of Happiness)**Functions:**

Clears Heat, releases exterior Wind, treats malaria.

Indications:

Malaria, chills and fever, headache, neck rigidity, febrile diseases, skin rashes.

DU-14 (Dazhui / Great Vertebra)**Functions:**

Clears Heat, expels Wind, releases the exterior, regulates Yang, tonifies deficiency, benefits the spine.

Indications:

Fever, common cold, cough, asthma, neck pain, stiffness, epilepsy, hypertension, afternoon fevers, skin disorders.

DU-15 (Yamen / Gate of Muteness)**Functions:**

Benefits the tongue and speech, clears the mind, treats aphasia, calms the Spirit.

Indications:

Aphasia, muteness, tongue stiffness, headache, neck rigidity, epilepsy, mental confusion.

DU-16 (Fengfu / Wind Mansion)**Functions:**

Eliminates Wind, nourishes the brain, calms the Shen, benefits the head and neck.

Indications:

Windstroke, epilepsy, dizziness, mental disorders, headache, stiff neck, blurry vision.

DU-17 (Naohu / Brain's Door)**Functions:**

Calms the Spirit, benefits the brain, clears the mind.

Indications:

Mania, epilepsy, dizziness, neck stiffness, visual disorders.

DU-18 (Qiangjian / Unyielding Space)**Functions:**

Pacifies Wind, alleviates pain, calms the Spirit.

Indications:

Headache, neck rigidity, epilepsy, blurred vision.

DU-19 (Houding / Behind the Crown)**Functions:**

Calms the Shen, benefits the brain, eliminates internal Wind.

Indications:

Mania, headache, dizziness, epilepsy, fright, visual disturbance.

DU-20 (Baihui / Hundred Meetings)**Functions:**

Raises Yang, counters prolapse, calms the Shen, benefits the brain and sensory orifices, eliminates Wind.

Indications:

Prolapse of rectum or uterus, headache, dizziness, tinnitus, poor memory, stroke, insomnia, mental disorders.

DU-21 (Qianding / Before the Crown)**Functions:**

Calms the Spirit, clears the senses, treats convulsions.

Indications:

Convulsions, epilepsy, headache, dizziness, eye disorders.

DU-22 (Xinhui / Fontanelle Meeting)**Functions:**

Benefits the nose, eliminates Wind, calms the Shen.

Indications:

Headache, nasal discharge, visual disturbances, dizziness.

DU-23 (Shangxing / Upper Star)

Functions:

Benefits the nose and eyes, calms the Shen.

Indications:

Nasal obstruction, sinusitis, epistaxis, red eyes, headache, mania.

DU-24 (Shenting / Spirit Courtyard)**Functions:**

Calms the Spirit, benefits the brain, clears the head.

Indications:

Anxiety, insomnia, epilepsy, headache, dizziness, nasal congestion.

DU-25 (Suliao / White Crevice)**Functions:**

Clears the senses, revives consciousness.

Indications:

Loss of consciousness, nosebleed, nasal obstruction, acute stroke, facial swelling.

DU-26 (Renzhong / Water Trough)**Functions:**

Restores consciousness, treats shock, calms the Spirit, benefits the spine.

Indications:

Coma, fainting, epilepsy, hysteria, facial puffiness, acute lumbar sprain.

DU-27 (Duiduan / Extremity of the Mouth)**Functions:**

Clears Heat, benefits the lips and gums, calms Shen.

Indications:

Cracked lips, gum swelling, mental confusion, epilepsy.

DU-28 (Yinjiao / Gum Intersection)**Functions:**

Clears Heat, benefits the gums, harmonizes the Du and Ren channels.

Indications:

Gum pain, mouth ulcers, nasal congestion, mental disorders.

Extra (Ex) acupuncture points, Functions and indications

From the *Acupuncture Point Book* and *Acupuncture Point Dynamics Vol 1 & 2*. Presented in clean, individual, plain text format:

❖ EX-HN1 (Sishencong / Four Alert Spirit)

Functions: Calms the mind, benefits the brain, enhances memory and clarity.

Indications: Headache, vertigo, insomnia, poor memory, epilepsy, emotional disorders, mental cloudiness.

❖ EX-HN3 (Yintang / Hall of Impression)

Functions: Calms the Shen, opens nasal passages, clears heat, relieves pain.

Indications: Anxiety, insomnia, headache, sinus congestion, frontal headache, hypertension, agitation in children.

❖ EX-HN5 (Taiyang / Sun)

Functions: Disperses Wind, clears heat, benefits the eyes, alleviates pain.

Indications: Migraine, temporal headache, eye disorders, red/painful eyes, facial paralysis, toothache.

❖ EX-HN6 (Erjian / Tip of the Ear)

Functions: Clears heat, reduces swelling.

Indications: High fever, hypertension, red/swollen eyes, sore throat.

❖ EX-HN12 (Jinjin / EX-HN12 & Yuye / EX-HN13)

Functions: Clears heat, generates fluids, benefits the tongue and mouth.

Indications: Aphasia, tongue swelling, mouth ulcers, stiffness of tongue, diabetes with dry mouth.

❖ EX-HN14 (Bitong / Penetrating the Nose)

Functions: Opens nasal passages, clears Wind and Heat.

Indications: Sinusitis, rhinitis, nasal congestion, loss of smell.

❖ EX-LE4 (Xiyan / Eyes of the Knee – lateral & medial)

Functions: Disperses Wind-Damp, reduces swelling, alleviates pain.

Indications: Knee pain, swelling, arthritis, leg weakness.

❖ EX-UE9 (Baxie / Eight Pathogens of the Hand)

Functions: Clears Heat, reduces swelling in the hands.

Indications: Swollen/painful fingers, arthritis, sore throat, febrile disease.

❖ EX-UE10 (Shixuan / Ten Diffusions)

Functions: Revives consciousness, clears Heat, benefits sensory orifices.

Indications: Febrile disease, epilepsy, coma, stroke, loss of consciousness.

❖ EX-LE10 (Bafeng / Eight Winds of the Feet)

Functions: Clears Damp-Heat, alleviates pain in the feet.

Indications: Toe pain, neuropathy, redness/swelling of feet, beriberi.

❖ EX-LE2 (Heding / Crane's Summit)

Functions: Benefits the knee joint, clears Wind-Damp.

Indications: Knee arthritis, joint swelling, difficulty walking.

❖ EX-B1 (Yaoqi / Lumbar Curve)

Functions: Regulates the Du channel, calms convulsions, strengthens lower back.

Indications: Epilepsy, lumbar pain, tailbone pain, irregular menstruation.

EX-B2 (Jia Ji - Paravertebral points)

Location: 0.5 cun lateral to the lower border of the spinous processes from T1 to L5 (each point corresponds to a vertebral level).

Functions:

Regulates the Zang-Fu organs associated with the segmental spinal level

Harmonizes internal organ function

Strengthens the spine and back

Moves Qi and Blood in the Du and Bladder channels

Calms the Shen

Indications:

Thoracic and lumbar spine pain, stiffness, and spasm

Vertebral disorders (disc herniation, spondylosis, scoliosis)

Organ dysfunctions: asthma (T3–T5), palpitations (T4), gastritis (T6–T9), liver/gallbladder disorders (T8–T10), kidney issues (T12–L2)

Menstrual irregularities, infertility (L2–L4)

Neurological issues like paraplegia, sciatica, neuritis

Emotional disturbances, insomnia, anxiety.

Continuation of **Extra Points**, categorized into regions:

EX-HN (Head & Neck Region)

EX-HN1 (Sishencong – Four Alert Spirit Points)

Functions:

Calms the Shen

Enhances mental clarity

Benefits the brain and sense organs

Opens the orifices

Indications:

Headache, vertigo, epilepsy

Poor memory, insomnia

Stroke, aphasia

Mental disorders

EX-HN3 (Yintang – Hall of Impression)

Functions:

Calms the Shen

Benefits the nose and frontal sinuses

Relieves headache

Indications:

Anxiety, insomnia, agitation

Frontal headache, sinusitis, rhinitis

Infantile convulsions

EX-HN5 (Taiyang – Supreme Yang)

Functions:

Clears Wind and Heat

Reduces pain

Brightens the eyes

Indications:

Temporal headache

Migraine, facial pain

Eye disorders: conjunctivitis, glaucoma

EX-HN6 (Erjian – Tip of the Ear)

Functions:

Clears Heat

Reduces swelling

Opens the orifices

Indications:

High fever, sore throat
Red, painful eyes
Hypertension

EX-HN12 (Bitong – Nose Passage)

Functions:

Opens nasal passages
Expels Wind

Indications:

Nasal congestion, sinusitis
Rhinitis, allergies

EX-HN14 (Jinjin / Yuye – Golden Liquid / Jade Fluid)

Functions:

Clears Heat
Generates fluids
Benefits tongue and speech

Indications:

Aphasia, swelling of the tongue
Dry mouth, stiffness of tongue
Vomiting, nausea

EX-UE (Upper Extremity)

EX-UE9 (Luozhen – Stiff Neck)

Functions:

Benefits the neck
Moves Qi in the upper limbs

Indications:

Acute stiff neck
Limited cervical rotation
Upper limb numbness

EX-UE10 (Yaotongxue – Lumbar Pain Point)

Functions:

Relieves acute lumbar pain
Moves Qi and Blood

Indications:

Acute low back sprain
Lumbago
Pain from sudden strain

EX-UE11 (Zhongquan)

Functions:

Moves Qi and Blood
Clears Heat
Benefits the wrist

Indications:

Wrist pain
Swelling or limited movement of wrist
Carpal tunnel syndrome

EX-UE12 (Erbai – Two Whites)

Functions:

Clears Heat
Stops prolapse
Benefits rectum

Indications:

Hemorrhoids
Rectal prolapse
Anal itching or pain

EX-UE13 (Bizhong – Arm Center)

Functions:

Moves Qi and Blood
Opens meridians

Indications:

Paralysis or spasm of upper limb
Arm pain or numbness

EX-LE (Lower Extremity)

EX-LE2 (Heding – Crane’s Summit)

Functions:

Benefits the knee joint
Clears Wind-Damp

Indications:

Knee pain
Swelling or weakness of the knee
Patellar inflammation

EX-LE4 (Xiyan – Eyes of the Knee)

Functions:

Dispels Wind-Damp
Relieves knee pain

Indications:

Knee arthritis
Swelling, stiffness, or weakness of knees

EX-LE5 (Dannangxue – Gallbladder Point)

Functions:

Clears Damp-Heat from Gallbladder
Harmonizes Liver

Indications:

Gallstones, cholecystitis
Lateral costal pain
Bitter taste in mouth

EX-LE7 (Lanweixue – Appendix Point)

Functions:

Clears Heat and Damp from Large Intestine
Regulates Qi

Indications:

Appendicitis
Lower abdominal pain
Diarrhea, indigestion

Continuation with **Extra Points (EX-CV and EX-DU series)** — based on the *Acupuncture Point Book* and *Acupuncture Point Dynamics Vol 1 & 2* — given in plain text format, focusing on **Functions and Indications** only:

EX-CV1 (Huiyin / Meeting of Yin)

Functions: Regulates anterior and posterior Yin channels, benefits essence, clears Damp-Heat, restores consciousness.

Indications: Urinary retention, difficult urination, enuresis, hemorrhoids, prolapse of rectum, impotence, irregular menstruation, leukorrhea, pain in the perineum, loss of consciousness.

EX-CV2 to EX-CV6: These are usually overlapping with standard Ren points. If you would like, I can list their alternative names and specific functions from the Extra Point classifications, but typically, EX-CV series is a label used when the point is used in a specific extra protocol.

EX-DU1 (Changqiang)

Functions: Opens Du channel, tonifies Kidney Yang, benefits lower back and anus, regulates intestines.

Indications: Hemorrhoids, prolapse of the rectum, lower back pain, epilepsy, mania, diarrhea, constipation, seminal emission.

EX-DU2 to EX-DU28

These are mostly overlapping with standard Du points but can be treated in Extra Point contexts (like scalp protocols or Shen regulation).

If you'd like, I can now list:

All EX-UE (Upper Extremity) points,

EX-LE (Lower Extremity) points,

Scalp acupuncture extra points,

Extra head and neck points like EX-HN1 to EX-HN18.

Extra Points (EX) continuing with **EX-UE (Upper Extremity)**, **EX-LE (Lower Extremity)**, **EX-HN (Head & Neck)**, and **Level-type points** — all in **plain text**, with **Functions and Indications only**, based on *Acupuncture Point Dynamics Vol 1 & 2* and *Acupuncture Point Book*:

EX-UE (Extra Points of the Upper Extremities)

EX-UE1 (Sifeng - Four Seams)

Functions: Clears Heat, disperses accumulation, improves digestion.

Indications: Childhood indigestion, malnutrition, whooping cough, abdominal distension, diarrhea.

EX-UE2 (Zhongquan)

Functions: Regulates Qi and Blood in wrist, relieves pain.

Indications: Wrist pain, stuffy chest, gastric pain.

EX-UE3 (Er bai - Two Whites)

Functions: Raises Yang Qi, stops prolapse, treats hemorrhoids.

Indications: Hemorrhoids, rectal prolapse, tenesmus.

EX-UE4 (Bizhong - Middle Arm)

Functions: Moves Qi and Blood, relieves obstruction.

Indications: Paralysis, spasm, pain of the forearm.

EX-UE5 (Zhoujian)

Functions: Resolves Phlegm, reduces swelling.

Indications: Scrofula, boils, carbuncles.

(Used with moxa for nodules.)

EX-UE6 (Jianqian / Jianneiling)

Functions: Relaxes sinews, opens channels.

Indications: Shoulder pain, restricted movement, paralysis of upper limb.

EX-LE (Extra Points of the Lower Extremities)

EX-LE1 (Heding - Crane's Summit)

Functions: Clears Wind-Damp, benefits knees.

Indications: Swelling and pain of knee, weakness in lower limbs.

EX-LE2 (Xiyan - Eyes of the Knee)

Functions: Dispels Wind-Damp, reduces swelling, relieves pain.

Indications: Knee pain, weakness of lower limbs.

EX-LE3 (Dannangxue - Gallbladder Point)

Functions: Clears Damp-Heat from Gallbladder.

Indications: Cholecystitis, cholelithiasis, GB pain, nausea, bitter taste.

EX-LE4 (Lanweixue - Appendix Point)

Functions: Clears Heat, detoxifies, benefits intestines.

Indications: Appendicitis, indigestion, abdominal pain.

EX-LE5 (Baichongwo - Hundred Insect Burrow)

Functions: Clears Heat, dispels Wind, eliminates parasites.

Indications: Itching, urticaria, eczema, parasitic skin disease.

EX-LE6 (Xiyan - Lateral)

(Usually combined with medial Xiyan.)

Indications: See EX-LE2.

(There are more EX-LE points. If you'd like all 10–20, I can list them in sequence.)

EX-HN (Head and Neck Extra Points)

EX-HN1 (Sishencong - Four Alert Spirit)

Functions: Calms Shen, benefits brain, improves memory.

Indications: Insomnia, poor memory, dizziness, epilepsy, headache.

EX-HN3 (Yintang)

Functions: Calms the mind, benefits nose, opens sinuses.

Indications: Anxiety, insomnia, sinus congestion, frontal headache.

(Many more EX-HN points available — up to EX-HN18 — let me know if you want the full list.)

LEVEL Points (Scalp & Body Lines)

These include lines used in **scalp acupuncture**, like:

MS 6 (Motor line) – for paralysis, stroke rehab.

MS 7 (Sensory line) – for pain syndromes, numbness.
MS 9 (Foot motor-sensory area) – for leg issues, balance.
